RECENT CHANGES

This section lists recent changes, which may include additions, deletions or revisions to your benefit booklet. These changes supersede language that appears elsewhere in your benefit booklet and are effective at the start of your BENEFIT PERIOD (see “Summary of Benefits”) unless otherwise noted.

Effective January 1, 2025, Blue Cross NC will delay covering psychotherapy services received in a school setting until April 1, 2025.

Therefore, under the section “**Covered Services**”, Mental Health and Substance Use Disorder Services, the following sentence is deleted:

Psychotherapy is additionally covered when provided in a school setting.

And replaced with:

Effective April 1, 2025, psychotherapy is additionally covered when provided in a school setting.

GETTING STARTED WITH BLUE OPTIONS

IMPORTANT INFORMATION REGARDING THIS HEALTH BENEFIT PLAN:

In accordance with applicable federal law, Blue Cross and Blue Shield of North Carolina (Blue Cross NC) will not discriminate against any health care provider acting within the scope of their license or certification, or against any person who has received a break on their premium, or taken any other action to endorse his or her right under applicable federal law. Further, Blue Cross NC shall not impose eligibility rules or variations in premiums based on any specified health status-related factors unless specifically permitted by law.

Getting Started

This benefit booklet provides important information about your benefits and can help you understand how to maximize them. It's important that you read the entire booklet. If you need help or more information, it tells you how to contact us in the "Who to Contact" section.

Notes on Words

As you read this benefit booklet, keep in mind that any word you see in small capital letters (SMALL CAPITAL LETTERS) is a defined term and appears in "Glossary" at the end of this benefit booklet. The terms "we," "us," and "Blue Cross NC" refer to Blue Cross and Blue Shield of North Carolina.

This Booklet

This booklet tells you about:

- Your COVERED SERVICES and exclusions or services that are not covered
- How your health benefit plan works
- How we share expenses for COVERED SERVICES
- Who is eligible to be covered under this health benefit plan and when this coverage starts and ends
- Our UTILIZATION MANAGEMENT programs and the right to appeal the decision
- Any Special Programs that may come with your health benefit plan.

PRIOR REVIEW and CERTIFICATION

Certain services require PRIOR REVIEW and CERTIFICATION in order for you to avoid a full denial of benefits. General categories of services requiring PRIOR REVIEW and CERTIFICATION are noted in "COVERED SERVICES." To determine if a specific service requires PRIOR REVIEW and CERTIFICATION, visit our website at www.BlueCrossNC.com for the PRIOR REVIEW list, which is updated when new services are added or when services are removed. You can also call Blue Cross NC Customer Service. See "PRIOR REVIEW (Pre-Service)" in "UTILIZATION MANAGEMENT" for information about the review process.

GETTING STARTED WITH BLUE OPTIONS *(cont.)*

Exclusions and Limitations

Exclusions and limitations apply to your coverage. Service-specific exclusions are stated along with the benefit description in “COVERED SERVICES.” Exclusions that apply to many services are listed in “What Is Not Covered?” To understand the exclusions and limitations that apply to each service, read “COVERED SERVICES,” “Summary of Benefits” and “What Is Not Covered?”

No Assignment of Benefits

The benefits described in this benefit booklet are provided only for MEMBERS. These benefits, the right to receive payment under this health benefit plan, and the right to enforce any claim arising under this health benefit plan cannot be transferred or assigned to any other person or entity, including PROVIDERS. Blue Cross NC will not recognize any such assignment, and any attempted assignment is void if performed without Blue Cross NC's prior written consent. PROVIDERS are not considered beneficiaries under this group health plan and do not have standing to sue under ERISA. Blue Cross NC may pay a PROVIDER directly. For example, Blue Cross NC pays IN-NETWORK PROVIDERS directly under applicable contracts with those PROVIDERS. However, any PROVIDER'S right to be paid directly is through such contract with Blue Cross NC, and not through this health benefit plan. Under this health benefit plan, Blue Cross NC has the sole right to determine whether payment for services is made to the PROVIDER, to the SUBSCRIBER, or allocated among both. Blue Cross NC's decision to pay a PROVIDER directly in no way reflects or creates any rights of the PROVIDER under this health benefit plan, including but not limited to benefits, payments or procedures.

More Information upon Request

You may receive, upon request, information about Blue Options, its services and DOCTORS, including printed copies of this benefit booklet with a benefit summary, and a directory of IN-NETWORK PROVIDERS.

Medical and Reimbursement Policies

Certain services are covered pursuant to Blue Cross NC medical and reimbursement policies, which are updated throughout the plan year. These policies describe the procedure and criteria to determine whether a procedure, treatment, facility, equipment, drug or device is MEDICALLY NECESSARY and eligible for coverage, INVESTIGATIONAL or EXPERIMENTAL, COSMETIC, or a convenience item. The most up-to-date medical and reimbursement policies are available at www.BlueCrossNC.com, or call Blue Cross NC Customer Service at the number listed in “Who to Contact?”

Reduced or Waived Payments

- From time to time, MEMBERS may receive a reduced or waived copayment, deductible and/or coinsurance on designated services, therapies, or PRESCRIPTION DRUGS in connection with programs designed to reduce medical costs, or to encourage

GETTING STARTED WITH BLUE OPTIONS *(cont.)*

MEMBERS to seek appropriate, high quality, efficient care based on Blue Cross NC criteria.

- Depending on your plan, the manufacturer may, from time to time, provide a rebate, or discount for certain PRESCRIPTION DRUGS, or DURABLE MEDICAL EQUIPMENT. These rebates may be automatically applied to the ALLOWED AMOUNT of the PRESCRIPTION DRUG, or DURABLE MEDICAL EQUIPMENT, reducing the cost-sharing amounts you may owe. Which PRESCRIPTION DRUGS, or DURABLE MEDICAL EQUIPMENT receive rebates and how long the rebates are in place may change without notice.

Common Insurance Terms

To help you become familiar with some common insurance terms concerning what you may owe after visiting your PROVIDER, see the chart below and the “Glossary”:

Copayment	The fixed dollar amount you must pay for some COVERED SERVICES at the time you receive them, if this health benefit plan includes copayments. Copayments are not credited to the deductible; however, they are credited to the TOTAL OUT-OF-POCKET LIMIT.
Deductible	The dollar amount you must incur for COVERED SERVICES in a BENEFIT PERIOD before benefits are payable under this health benefit plan. The deductible does not include coinsurance, charges in excess of the ALLOWED AMOUNT, amounts exceeding any maximum, or charges for non-covered services.
Coinsurance	The sharing of charges by Blue Cross NC and you for COVERED SERVICES, after you have met your BENEFIT PERIOD deductible. This is stated as a percentage. The coinsurance listed is your share of the cost of a COVERED SERVICE.
TOTAL OUT-OF-POCKET LIMIT	The TOTAL OUT-OF-POCKET LIMIT is the dollar amount you pay for COVERED SERVICES in a BENEFIT PERIOD before Blue Cross NC pays 100% of COVERED SERVICES. It does not include charges over the ALLOWED AMOUNT, premiums, and charges for noncovered services.

Here is an **example** of what your costs could be for IN-NETWORK or OUT-OF-NETWORK services. The scenario is a total outpatient HOSPITAL bill of \$5,000.

	IN-NETWORK	OUT-OF-NETWORK
A. Total Bill	\$5,000	\$5,000
B. ALLOWED AMOUNT	\$4,250	\$4,250

GETTING STARTED WITH BLUE OPTIONS *(cont.)*

C. Deductible Amount	\$2,000	\$4,000
D. ALLOWED AMOUNT Minus Deductible (B-C)	\$2,250	\$250
E. Your Coinsurance Amount (x% times D)	$(20\% \times \$2,250) = \450	$(40\% \times \$250) = \100
F. Amount You Owe Over ALLOWED AMOUNT	\$0 (IN-NETWORK charges limited to ALLOWED AMOUNT)	\$750 (difference between Total Bill and ALLOWED AMOUNT)
G. Total Amount You Owe (C+E+F)	\$2,450	\$4,850

Deductible and coinsurance amounts are for example only. Refer to “Summary of Benefits” for your benefits.

SPECIAL NOTICE IF YOU CHOOSE AN OUT-OF-NETWORK PROVIDER

Your actual expenses for COVERED SERVICES may exceed the stated coinsurance percentage or copayment amount because actual PROVIDER charges may not be used to determine the health benefit plan’s and MEMBER’S payment obligations. For OUT-OF-NETWORK benefits, you may be required to pay for charges over the ALLOWED AMOUNT, in addition to any copayment or coinsurance amount.

- If applicable, multiple OFFICE VISITS or emergency room visits on the same day may result in multiple copayments.
- Coinsurance percentages shown in this section are the part that you pay for COVERED SERVICES.
- Amounts applied to deductible and coinsurance are based on the ALLOWED AMOUNT.
- Amounts applied to the deductible also count toward any visit or day maximums for those services.
- Benefits may differ depending on where the service is performed and if the service is received with any other service or associated with a surgical procedure. See “Summary of Benefits.”
- If your benefit level for services includes deductible or coinsurance, your PROVIDER may collect an estimated amount of these at the time you receive services.
- To receive IN-NETWORK benefits, you must receive care from a Blue Options IN-NETWORK PROVIDER. **However, in certain situations, including in an EMERGENCY, you may receive care from an IN-NETWORK or OUT-OF-NETWORK PROVIDER. Please see “OUT-OF-NETWORK Benefit Exceptions” for additional information.**

Please Note: The list of IN-NETWORK PROVIDERS may change from time to time, so please verify that the PROVIDER is still in the Blue Options network before receiving care. Find a PROVIDER on our website at www.BlueCrossNC.com or call Blue Cross NC Customer Service at the number listed on your ID CARD or in “Who to Contact?”

SPECIAL NOTICE IF YOU CHOOSE AN OUT-OF-NETWORK PROVIDER

HOW BLUE OPTIONS WORKS

This section provides information about choosing services at the most cost-effective benefit level. It tells you about:

Most Cost-Effective Benefit Level

As a MEMBER of the Blue Options plan, you enjoy quality health care from a network of health care PROVIDERS and easy access to SPECIALISTS. You also have the freedom to choose health care PROVIDERS who do not participate in the Blue Options network – the main difference will be the cost to you. Benefits are available for services from an IN- or OUT-OF-NETWORK PROVIDER that is recognized by Blue Cross NC as eligible.

For a list of eligible PROVIDERS, please visit the website at www.BlueCrossNC.com or call Blue Cross NC Customer Service at the number listed in “Who to Contact?” Here is a look at how it works:

	IN-NETWORK	OUT-OF-NETWORK
Type of PROVIDER	IN-NETWORK PROVIDERS are health care professionals and facilities that have contracted with Blue Cross NC, or a PROVIDER participating in the BlueCard® program. ANCILLARY PROVIDERS outside North Carolina are considered IN-NETWORK only if they contract directly with the Blue Cross or Blue Shield plan in the state where services are received, even if they participate in the BlueCard® program. See “Glossary” for a description of ANCILLARY PROVIDERS and the criteria for	OUT-OF-NETWORK PROVIDERS are not designated as a Blue Options PROVIDER by Blue Cross NC. For EMERGENCY SERVICES, see "OUT-OF-NETWORK Benefit Exceptions" and "EMERGENCY and Ambulance Services" for additional information.
Referrals	Blue Cross NC does not require you to obtain any referrals.	
After-hours Care	If you need non-EMERGENCY SERVICES after your PROVIDER'S office has closed, please call your PROVIDER'S office for their recorded instructions.	
Care Outside of North Carolina	Your ID CARD gives you access to participating PROVIDERS outside the state of North Carolina through the BlueCard® Program, and benefits are provided at the IN-NETWORK benefit level.	If you are in an area that has participating PROVIDERS and you choose a PROVIDER outside the network, you will receive the lower OUT-OF-NETWORK benefit. Also see "OUT-OF-NETWORK Benefit Exceptions."

OUT-OF-NETWORK Benefit Exceptions

You will only be responsible for your IN-NETWORK share of the cost and PROVIDERS may not bill you more than your IN-NETWORK share of the cost in the following situations:

- When EMERGENCY SERVICES are provided by an OUT-OF-NETWORK PROVIDER or an OUT-OF-NETWORK EMERGENCY facility*
- When you receive EMERGENCY MEDICALLY NECESSARY ground or air transport ambulance services from an OUT-OF-NETWORK PROVIDER*
- When you receive MEDICALLY NECESSARY air transport ambulance services from an OUT-OF-NETWORK PROVIDER*
- When non-EMERGENCY SERVICES are provided by an OUT-OF-NETWORK PROVIDER at an IN-NETWORK health care facility*

HOW BLUE OPTIONS WORKS *(cont.)*

- When non-EMERGENCY SERVICES are provided by an OUT-OF-NETWORK PROVIDER in situations where IN-NETWORK PROVIDERS are not reasonably available as determined by Blue Cross NC's access to care standards
- In continuity of care situations
 - *These situations may not qualify for an OUT-OF-NETWORK benefit exception if the MEMBER gives consent. Please see www.cms.gov/nosurprises for notice regarding surprise billing describing your rights and how consent may impact these situations.

For more information, see one of the following sections: "EMERGENCY and Ambulance Services" in "COVERED SERVICES" or "Continuity of Care" in "UTILIZATION MANAGEMENT." For information about Blue Cross NC's access to care standards, see our website at www.BlueCrossNC.com/accesstocare. If you believe an IN-NETWORK PROVIDER is not reasonably available, you can help assure that benefits are paid at the correct benefit level by calling Blue Cross NC before receiving care from an OUT-OF-NETWORK PROVIDER.

Bundled Care and Payments Program

Blue Cross NC is working with a select group of high-quality PROVIDERS to deliver coordinated care and simplified billing. All your care is coordinated for you, and all costs for services are billed together—saving time and reducing paperwork. Visit www.BlueCrossNC.com/bundle for more information and to see the list of PROVIDERS participating in this program. You'll also want to verify that these PROVIDERS are in the Blue Options network by visiting www.BlueCrossNC.com or calling Blue Cross NC Customer Service at the number listed in "Who to Contact?" The list of SURGERIES and specialties under this program may change from time to time.

Carry Your ID CARD

Your ID CARD identifies you as a Blue Options MEMBER. Be sure to carry your ID CARD with you at all times and present it each time you seek health care.

For ID CARD requests, please visit our website at www.BlueConnectNC.com or call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

The Role of a PRIMARY CARE PROVIDER (PCP) or SPECIALIST

Blue Cross NC is strongly committed to continuously improving your quality of care and reducing the cost of using health care services. Maintaining a relationship with a PCP, who will help you manage your health and make decisions about your health care needs, is an important step towards ensuring you receive the highest quality of care. In certain situations you may be asked to select an available IN-NETWORK PCP after you enroll. While we are requesting you select a PCP it is not required. If you do choose a PCP you may change your selected PCP, including an OUT-OF-NETWORK PCP, at any time by visiting www.BlueCrossNC.com. If you change PCPs, be sure to have your medical records transferred,

HOW BLUE OPTIONS WORKS *(cont.)*

especially immunization records, to provide your new DOCTOR with your medical history. You should participate actively in all decisions related to your health care and discuss all treatment options with your health care PROVIDER regardless of cost or benefit coverage. PCPs are trained to deal with a broad range of health care issues and can help you determine when you need a SPECIALIST. PROVIDERS from medical specialties such as family practice, internal medicine and pediatrics may participate as PCPs.

Please visit our website at **www.BlueCrossNC.com** and click on Find a Doctor for information on PROVIDERS, including but not limited to: names, address, telephone number; professional qualifications, specialties, and medical school attended, residency completion, and board certified status or call Blue Cross NC Customer Service to confirm that the PROVIDER is in the network before receiving care.

If your PCP or SPECIALIST leaves our PROVIDER network and they are currently treating you for an ongoing special condition, see “Continuity of Care” in “UTILIZATION MANAGEMENT.”

Upon the request of the MEMBER and subject to approval by Blue Cross NC, a SPECIALIST treating a MEMBER for a serious or chronic disabling or life-threatening condition can act as the MEMBER’S PCP. The selected SPECIALIST would be responsible for providing and coordinating the MEMBER’S primary and specialty care. The selection of a SPECIALIST under these circumstances shall be made under a treatment plan approved by the SPECIALIST and Blue Cross NC, with notice to the PCP if applicable. A request may be denied where it is determined that the SPECIALIST cannot appropriately coordinate the MEMBER’S primary and specialty care.

To make this request or if you would like the professional qualifications of your PCP or IN-NETWORK SPECIALIST, you may call Blue Cross NC Customer Service at the number listed in “Who to Contact?”

Your health benefit plan covers care you receive as part of an OFFICE VISIT, including:

- electronic visit
- evaluation and treatment of obesity
- house call
- telehealth services

Telehealth services from Teladoc: Telehealth services from Teladoc include evaluation, management and consultation services for primary care, acute care, mental health teletherapy, dermatology and nutritional counseling with a PROVIDER via an interactive audio/video or audio-only telecommunications system. Telehealth services from a local PROVIDER: You can also check with your PROVIDER to see if telehealth services are available. Telehealth services are available IN-NETWORK and

COVERED SERVICES *(cont.)*

OUT-OF-NETWORK and are separate from your telehealth benefit with Teladoc. Telehealth services include, but are not limited to, evaluation, management, and consultative services for medical, counseling, and care management issues with a PROVIDER via an interactive audio/video or other telecommunications system. It is important to understand that your benefit will vary depending upon the type of PROVIDER you see for these services.

Your health benefit plan also covers infusion services received at an AMBULATORY INFUSION SUITE. Certain infusion services require PRIOR REVIEW and CERTIFICATION or services will not be covered.

If this health benefit plan has a copayment for PCP OFFICE VISITS, a copayment will not apply if you only receive services such as allergy shots or other injections and are not charged for an OFFICE VISIT.

If this health benefit plan has copayments for PCP or SPECIALIST OFFICE VISITS, certain office SURGERIES for the treatment of sinus disease are subject to deductible and coinsurance. Certain office SURGERIES may require PRIOR REVIEW and CERTIFICATION or services will not be covered.

Some DOCTORS or OTHER PROVIDERS may practice in HOSPITAL-based or OUTPATIENT CLINICS or provide HOSPITAL-based services in their offices. These services are covered as outpatient services and are listed as HOSPITAL-based or OUTPATIENT CLINIC. See "Summary of Benefits."

Some PROVIDERS may get ancillary services, such as laboratory services, medical equipment and supplies or PROVIDER-ADMINISTERED SPECIALTY DRUGS, from third parties. In these cases, you may be billed directly by the ANCILLARY PROVIDER. Benefit payments for these services will be based on the type of ANCILLARY PROVIDER, its network status, and how the services are billed.

Please check with your PROVIDER before your visit to determine if your PROVIDER will collect deductible and coinsurance, or you can call Blue Cross NC Customer Service at the number listed in "Who to Contact?" for this information.

PREVENTIVE CARE

This health benefit plan covers PREVENTIVE CARE services that can help you stay safe and healthy.

PREVENTIVE CARE services may fall into two categories: (1) federally-mandated PREVENTIVE CARE services (required to be covered at no cost to you IN-NETWORK); and (2) state-mandated PREVENTIVE CARE services (required to be offered both IN and OUT-OF-NETWORK). In order to determine your benefit, it is important to understand what type of PREVENTIVE CARE service you are receiving, where you are receiving it and why you are receiving it.

Federally-Mandated PREVENTIVE CARE Services

Under federal law, you can receive certain covered PREVENTIVE CARE services from an IN-NETWORK PROVIDER in an office-based, outpatient, ambulatory surgical setting, or

COVERED SERVICES *(cont.)*

URGENT CARE center at no cost to you. Please log on to our website at www.BlueCrossNC.com/preventive or call Blue Cross NC Customer Service at the number in “Who to Contact?” for the most up-to-date information on PREVENTIVE CARE that is covered under federal law, including general preventive services and screenings, immunizations, well-baby/well-child care, women’s PREVENTIVE CARE, nutritional counseling visits, and certain over-the-counter medications. Nutritional counseling visits are separate from the obesity-related OFFICE VISITS noted in the “Summary of Benefits.” Certain over-the-counter medications are covered only as indicated and when a PROVIDER’S PRESCRIPTION is presented at a pharmacy.

The following conditions must be met for these services to be covered at no cost to you IN-NETWORK:

- Services are designated as PREVENTIVE CARE services under federal law (see above website for the most up-to-date information);
- Services are performed by an IN-NETWORK PROVIDER;
- Services are provided in an office-based, outpatient or ambulatory setting or URGENT CARE center; and
- Services are filed with a primary diagnosis of preventive or wellness, and do not include any additional procedures, such as diagnostic services.

Please note that if a particular PREVENTIVE CARE service does not have a federal recommendation or guideline concerning the frequency, method, treatment or setting in which it must be provided, Blue Cross NC may use reasonable medical management procedures to determine any coverage limitations or restrictions that may apply. Services that would otherwise be excluded under this health benefit plan will be covered at no cost sharing if the criteria mentioned above are met. Visit www.BlueCrossNC.com/preventive or call Blue Cross NC Customer Service at the number listed in “Who to Contact?” for a complete list of these federally-mandated PREVENTIVE CARE services that are covered under this health benefit plan.

In certain instances, you may receive PREVENTIVE CARE services that are covered under this health benefit plan; however, these services are subject to your applicable copayment, deductible and coinsurance. The following information will help you determine why you did not receive these services at no cost to you:

Situation	Example	Reason/Result
How your PREVENTIVE CARE service is filed	A colonoscopy includes a primary diagnosis of non-preventive.	Certain PREVENTIVE CARE services will not pay in full because the primary diagnosis filed on the claim is something other than PREVENTIVE CARE. In this instance, the colonoscopy is subject to any applicable copayment, deductible or coinsurance.

COVERED SERVICES *(cont.)*

Situation	Example	Reason/Result
Services that are not considered PREVENTIVE	A routine wellness exam includes an additional procedure, such as a Vitamin D serum test.	The Vitamin D test will not be covered as a federally-mandated PREVENTIVE CARE service. This service will be denied as it is not considered a PREVENTIVE CARE service by the United States Preventive Services Task Force (USPSTF).
Place of service (where you receive your PREVENTIVE CARE service)	A mammogram is performed in a setting (inpatient) that is not considered an office, such as a HOSPITAL.	Certain PREVENTIVE CARE services will not be paid in full because they are not performed in an office-based, outpatient or ambulatory setting or URGENT CARE center. In this example, the mammogram is subject to deductible and coinsurance.

This health benefit plan provides benefits for some tobacco cessation over-the-counter nicotine replacement therapy (NRT) products, including patches, lozenges or gum, and FDA-approved PRESCRIPTION cessation medications. Please log on to Blue Cross NC's website at www.BlueCrossNC.com/preventive or call Blue Cross NC Customer Service at the number listed in "Who to Contact?" for the most up to date information on tobacco cessation benefits.

The following list of services is mandated by the state of North Carolina and is available OUT-OF-NETWORK. If you see an OUT-OF-NETWORK PROVIDER for these services, your benefits will be subject to the OUT-OF-NETWORK benefit level.

State-Mandated PREVENTIVE CARE Services:

The following benefits are available IN-NETWORK and OUT-OF-NETWORK:

Please note that bone mass measurement tests will be covered under your diagnostic benefit (not your PREVENTIVE CARE benefit) if the claim for these services indicates a primary diagnosis of something other than preventive or wellness. Your diagnostic benefit will be subject to your benefit level for the location where services are received.

Qualified individuals include MEMBERS who have any one of the following conditions:

- Estrogen-deficient and at clinical risk of osteoporosis or low bone mass

COVERED SERVICES *(cont.)*

Colorectal Screening

Colorectal cancer examinations and laboratory tests for cancer are covered for any asymptomatic MEMBER who is at least 45 years of age, or is less than 45 years of age and at high risk for colorectal cancer. Increased/high risk individuals are those who have a higher potential of developing colon cancer because of a personal or family history of certain intestinal disorders. Some of these procedures are considered SURGERY, such as colonoscopy and sigmoidoscopy, and others are considered lab tests, such as hemoccult screenings. Lab work done as a result of a colorectal screening exam will be covered under your diagnostic benefit and not be considered PREVENTIVE CARE. It will be subject to your benefit level for the location where services are received. However, lab work for the removal of polyps during the screening exam is considered PREVENTIVE CARE.

The PROVIDER search on our website at www.BlueCrossNC.com can help you find office-based PROVIDERS or you can call Blue Cross NC Customer Service at the number listed in "Who to Contact?" for this information.

Gynecological Exam and Cervical Cancer Screening

The cervical cancer screening benefit includes the examination and laboratory tests for early detection and screening of cervical cancer, and DOCTOR'S interpretation of the lab results. Newborn Hearing Screening

Coverage is provided for newborn hearing screening ordered by a DOCTOR to determine the presence of permanent hearing loss.

Ovarian Cancer Screening

For female MEMBERS ages 25 and older at risk for ovarian cancer, an annual screening, including a transvaginal ultrasound and a rectovaginal pelvic examination, is covered. A female MEMBER is considered "at risk" if she:

- Has a family history with at least one first-degree relative with ovarian cancer, and a second relative, either first-degree or second-degree with breast, ovarian, or nonpolyposis colorectal cancer; or
- Tested positive for a hereditary ovarian cancer syndrome.

It is to be used as a short-term, intermittent, and temporary solution for a MEMBER transitioning from an acute care setting to the home setting. The MEMBER must be homebound, or have a technology need immediately post discharge causing an increased amount of frequency of nursing interventions to stabilize the MEMBER and provide the household caregiver with training. It is not meant to be for long-term permanent or custodial care or intended to be provided

Prescription Drug Benefits

Your PRESCRIPTION DRUG benefits cover the following:

- PRESCRIPTION DRUGS, including self-administered injectable medications, and contraceptive drugs and devices
- Certain over-the-counter drugs when listed as covered in the FORMULARY, or under your PREVENTIVE CARE benefit, and a PROVIDER’S PRESCRIPTION for that drug is presented at the pharmacy
- Immunizations for influenza, shingles and pneumonia are covered at no cost to you when received at an IN-NETWORK pharmacy. The list of covered immunizations may change from time to time, call Blue Cross NC Customer Service for the most up-to-date list.
- Spacers for metered dose inhalers and peak flow meters
- PRESCRIPTION DRUGS related to treatment of SEXUAL DYSFUNCTION
- Insulin and diabetic supplies such as: insulin needles, syringes, glucose testing strips, ketone testing strips and tablets, lancets and lancet devices.

Benefits vary for MEDICAL SUPPLIES, depending on whether supplies are received at a MEDICAL SUPPLY PROVIDER or at a pharmacy. See “Summary of Benefits.”

The following information will help you get the most value from your PRESCRIPTION DRUG coverage:

Situation	Value
Where you get your PRESCRIPTION filled	Your cost will be less if you use an IN-NETWORK pharmacy in North Carolina or outside the state and show your ID CARD. If you fail to show your ID CARD or the IN-NETWORK pharmacy’s records do not show you as eligible for coverage, you will have to pay the full cost of the PRESCRIPTION and file a claim.

COVERED SERVICES *(cont.)*

Situation	Value
	You may also get your PRESCRIPTION filled by an OUT-OF-NETWORK pharmacy; however, you may be asked to pay the full cost of the PRESCRIPTION DRUG and submit your own claim. Any charges over the ALLOWED AMOUNT are your responsibility. If you had an EMERGENCY and went to an OUT-OF-NETWORK pharmacy, we recommend that you call Blue Cross NC Customer Service at the number listed in “Who to Contact?” so that the claim can be processed at the IN-NETWORK level.
How the type of PRESCRIPTION DRUG may determine the amount you pay	Your PRESCRIPTION DRUG benefit has a closed FORMULARY or list of PRESCRIPTION DRUGS, divided into categories or tiers. Blue Cross NC determines the tier placement of PRESCRIPTION DRUGS in the FORMULARY, and this determines the amount you pay. On a closed FORMULARY PROVIDERS can prescribe from a list of GENERIC and brand medications from each therapeutic category. Some medications on the list and those not on the list must go through a non-FORMULARY or RESTRICTED-ACCESS (STEP THERAPY) DRUGS OR DEVICES exception process for MEDICAL NECESSITY to be reimbursed under the PRESCRIPTION benefit. For more information on the exception process please visit www.BlueCrossNC.com/umdrug. Tier placement of PRESCRIPTION DRUGS in the FORMULARY may be determined by: the effectiveness and safety of the drug, the cost of the drug, and/or the classification of the drug by the U.S. Food and Drug Administration (FDA) or nationally-recognized drug databases (e.g., Medispan). The lowest cost PRESCRIPTION DRUGS, such as GENERICS, are generally located on the lowest tiers (Tier 1 and Tier 2). Higher cost PRESCRIPTION DRUGS, such as BRAND-NAME PRESCRIPTION DRUGS are generally located on the higher tiers. All tiers of the FORMULARY may contain GENERIC and BRAND-NAME PRESCRIPTION DRUGS. The PRESCRIPTION DRUGS listed in the FORMULARY or their tier placement may change from time to time due to a change in the cost of the drug and/or in the classification of the drug by the U.S. Food and Drug Administration (FDA) or nationally-recognized drug databases (e.g., Medispan).
How your PRESCRIPTION is dispensed	In some cases, a PROVIDER may prescribe a total dosage of a drug that requires two or more different drugs in a compound to be dispensed. In these cases if you have copayments for PRESCRIPTION DRUGS, you will be responsible for one copayment, that of the

COVERED SERVICES *(cont.)*

Situation	Value
	highest tier drug in the compound, based on each 30-day supply. Please note that some PRESCRIPTION DRUGS are only dispensed in 60- or 90-day quantities. For these drugs, you will pay either two or three copayments depending on the quantity you receive. Please see “Summary of Benefits.” If you need to receive an extended supply (greater than a 30-day supply and up to a 90-day supply), visit our website at www.BlueCrossNC.com for a listing of retail pharmacies or mail-order service that can dispense an extended supply of your PRESCRIPTION. You cannot refill a PRESCRIPTION until: • three-fourths (or 75%) of the time period has passed that the PRESCRIPTION was intended to cover, or • up to nine-tenths (90%) of the time period has passed that the controlled PRESCRIPTION was intended to cover, or • the full time period has passed that the PRESCRIPTION was intended to cover if quantity limits apply, except during a government-declared state of emergency or disaster in the county in which you reside. During these circumstances, you must request a refill within 29 days after the date of the emergency or disaster (not the date of the declaration). A refill of a PRESCRIPTION with quantity limitations may take into account the proportionate dosage use prior to the disaster. Certain combinations of compound drugs may require PRIOR REVIEW and CERTIFICATION. For specific information about drug classes with limited or no plan coverage, please visit www.BlueCrossNC.com/umdrug. Examples of these drug categories include (but are not limited to) INFERTILITY Drugs, SEXUAL DYSFUNCTION Drugs, and Non-FDA Approved Medications. Reference the “Drugs with Limited or No Plan Coverage” section for more details.
If you have multiple PRESCRIPTIONS and need to align your refill dates	If you have multiple PRESCRIPTIONS and need to align your refill dates you may need a PRESCRIPTION for less than a 30-day supply. If your DOCTOR or pharmacy agrees to give you a PRESCRIPTION for less than a 30-day supply for this purpose you will only pay a prorated daily cost-sharing amount (any dispensing fee will not be prorated). This benefit is only available for drugs covered under

COVERED SERVICES *(cont.)*

Situation	Value
	your PRESCRIPTION DRUG benefit, received at an IN-NETWORK pharmacy, and when PRIOR REVIEW requirements have been met. In addition, the drugs must: • be used for treatment and management of chronic conditions and are subject to refills; • NOT be a Schedule II or Schedule III controlled substance containing hydrocodone; • be able to be split over short-fill periods; and • not have quantity limits or dose optimization criteria that would be affected by aligning refill dates.
Use of Lower-Cost PRESCRIPTION DRUGS	When choosing a PRESCRIPTION DRUG, you and your DOCTOR should discuss whether a lower-cost PRESCRIPTION DRUG could provide the same results as a more expensive PRESCRIPTION DRUG. If you choose a BRAND-NAME PRESCRIPTION DRUG, your cost may be higher. You may not be required to pay the difference between the BRAND-NAME ALLOWED AMOUNT and the GENERIC ALLOWED AMOUNT for certain BRAND-NAME PRESCRIPTION DRUGS, if these criteria are met: 1) the BRAND-NAME PRESCRIPTION DRUG is on the Narrow Therapeutic Index (NTI). See ncbop.org/faqs/Pharmacist/faq_NTIDrugs.htm for a current list of these drugs; or 2) your PROVIDER required the use of a BRAND-NAME PRESCRIPTION DRUG to treat your condition. Applicable copayment or coinsurance amounts would still apply.
PRIOR REVIEW Requirements	PRIOR REVIEW and CERTIFICATION by Blue Cross NC are required for some PRESCRIPTION DRUGS or services will not be covered. Blue Cross NC may change the list of these PRESCRIPTION DRUGS from time to time. Blue Cross NC may change the authorization period for which a previously reviewed or certified drug was granted. Should this occur, you will be notified. Please visit www.BlueCrossNC.com for more details.
SPECIALTY DRUGS	Blue Cross NC has a separate pharmacy network for purchasing select SPECIALTY DRUGS ("Specialty Network"). These SPECIALTY DRUGS (which include specialty GENERIC or BRAND-NAME PRESCRIPTION DRUGS, as well as BIOLOGIC or BIOSIMILAR PRESCRIPTION DRUGS) must be dispensed by a pharmacy participating in the Specialty Network and assigned by Blue Cross NC in order to receive IN-NETWORK benefits. You may obtain IN-NETWORK benefits from any IN-NETWORK specialty pharmacy, rather than from the

COVERED SERVICES *(cont.)*

Situation	Value
	IN-NETWORK specialty pharmacy assigned. Call Blue Cross NC Customer Service at the number listed in “Who to Contact?” to request an IN-NETWORK specialty pharmacy of your choice. These drugs are limited to a 30-day supply or less. For a list of PRESCRIPTION DRUGS that are considered SPECIALTY DRUGS, visit our website at www.BlueCrossNC.com.
Exception Request	MEMBERS, their authorized representative or their prescribing PROVIDER may request a standard exception request, an expedited exception request or an external exception request in order to gain access to non-FORMULARY or RESTRICTED-ACCESS (STEP THERAPY) DRUGS OR DEVICES if determined to be MEDICALLY NECESSARY and appropriate by the MEMBER’S prescribing PROVIDER and to request and gain access to clinically appropriate drugs not otherwise covered under the health benefit plan. As part of an exception request, the MEMBER’S prescribing PROVIDER must provide supporting information of the request by including an oral or written statement that provides a justification supporting the need for the non-FORMULARY or RESTRICTED- ACCESS (STEP THERAPY) DRUGS OR DEVICES to treat the MEMBER’S condition. Exception requests will be granted if supporting information demonstrates any of the following: • the MEMBER has tried an alternate drug or drugs while covered by Blue Cross NC or their previous health benefit plan; • the FORMULARY or alternate drug or drugs has been ineffective in the treatment of the MEMBER’S disease or condition; • the FORMULARY or alternate drug or drugs causes or is reasonably expected by the prescribing PROVIDER to cause a harmful or adverse clinical reaction in the MEMBER; • either (i) the drug is prescribed in line with any applicable clinical protocol of Blue Cross NC or (ii) the drug has been approved as an exception to the clinical protocol consistent with Blue Cross NC’s exception procedure; • the MEMBER’S prescribing PROVIDER certifies in writing that the MEMBER has previously used an alternative nonrestricted access drug or device and the alternative drug or device has been detrimental to the MEMBER’S health or has been ineffective in treating the same condition and, in the

	prescribing PROVIDER'S opinion, is likely to be detrimental to the MEMBER'S health or ineffective in treating the condition again. PRESCRIPTION DRUG samples, coupons or other incentive programs will not be considered a trial and failure of a prescribed drug in place of trying the formulary-preferred or nonrestricted access PRESCRIPTION DRUG. MEMBERS (or their authorized representatives) may visit www.BlueConnectNC.com for information about the ways to submit a request. Generally, MEMBERS may submit requests: • By fax (visit the website above for fax form and numbers) • By mail to BlueCross BlueShield of North Carolina, Healthcare Management and Operations, Pharmacy Exception, P. Situation	Value
	*An expedited request is permissible where a MEMBER is suffering from a health condition that may seriously jeopardize the MEMBER'S life, health, or ability to regain maximum function or when the MEMBER is getting a current course of treatment using a non-FORMULARY or RESTRICTIVE-ACCESS (STEP THERAPY) DRUG OR DEVICE. **An external request will be reviewed by an independent review organization contracted by Blue Cross NC.
Quantity Limitations	Blue Cross NC covers certain PRESCRIPTION DRUGS up to a set quantity based on criteria developed by Blue Cross NC to encourage the appropriate use of the drug. For these PRESCRIPTION DRUGS, PRIOR REVIEW and CERTIFICATION are required before excess quantities of these drugs will be covered. When excess quantities are approved, you may be required to pay an additional copayment, if applicable.
Benefit Limitations	Certain PRESCRIPTION DRUGS are subject to benefit limitations which may include, but are not limited to: the amount dispensed per PRESCRIPTION, per day or per defined time period; per lifetime; per month's supply; or the amount dispensed per single copayment, if applicable. Note: excess quantities are not covered. These benefit limitations can be found at www.BlueCrossNC.com/umdrug .

Blue Cross NC may develop a lock-in program which would require that a MEMBER select a single prescriber and single pharmacy to obtain certain covered PRESCRIPTION DRUGS that are considered controlled substances. The program applies to a MEMBER who meets any of the following conditions:

- (1) filled six or more PRESCRIPTIONS for covered substances in a period of two consecutive months
- (2) received PRESCRIPTIONS for covered substances from three or more health care PROVIDERS in a period of two consecutive months
- (3) recommended to Blue Cross NC as a candidate for the lock-in program by a health care PROVIDER.

No MEMBER will be subject to this program until they have been notified by us in writing. You will not be required to use the single prescriber or single pharmacy for other PRESCRIPTION DRUGS covered under the health benefit plan.

WHEN COVERAGE BEGINS AND ENDS

This section provides information on who is eligible and how to qualify for coverage under this health benefit plan:

Table of Contents: • Enrolling in this Health Benefit Plan • Adding or Removing a DEPENDENT • Qualified Medical Child Support Order • Type of coverage • Reporting Changes • Continuing Coverage • Termination of MEMBER coverage	Key Words: • EMPLOYEE • DEPENDENTS • GROUP ADMINISTRATOR
--	---

EMPLOYEES shall be added to coverage no later than 90 days after their first day of employment.

The term “EMPLOYEE” means a nonseasonal person who works full-time, 30 or more hours per week and is otherwise eligible for coverage. In some cases, and where permitted by applicable law, your EMPLOYER may allow eligibility to extend to other persons, such as retirees or part-time EMPLOYEES.

For DEPENDENTS to be covered under this health benefit plan, you must be covered and your DEPENDENT must be one of the following:

- Your spouse under an existing marriage that is legally recognized under any state law
- Your, or your spouse’s DEPENDENT CHILDREN through the end of the month of their 26th birthday.
- A DEPENDENT CHILD who in accordance with North Carolina law, is and continues to be either intellectually or physically disabled and incapable of self-support may continue to be covered under this health benefit plan regardless of age if the condition exists and coverage is in effect when the child reaches the end of eligibility for DEPENDENT CHILDREN. The disability must be medically certified by the child’s DOCTOR and may be verified annually by Blue Cross NC.

Enrolling in this Health Benefit Plan

Benefits under this health benefit plan are not subject to any WAITING PERIOD for PRE-EXISTING CONDITIONS (a condition, disease, illness or injury for which medical advice, diagnosis, care or treatment was received or recommended within the 6-month period prior to your enrollment date (the date of your enrollment, or if earlier, the first day of the waiting period for your enrollment)).

It is very important to consider when you apply for coverage and/or add DEPENDENTS. Your EMPLOYER allows you to apply for coverage or make changes to your coverage only during your EMPLOYER’S designated annual enrollment period, which is held once a year. If you do not apply for coverage within 30 days of when you or your DEPENDENTS first become eligible, you will have to wait for a future designated annual enrollment period. Newly eligible children (newborns, adoptive children, or FOSTER CHILDREN), and children added as a result of

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

a court or administrative order such as a Qualified Medical Child Support Order (QMCSO) are not restricted to this enrollment period.

See also “Adding or Removing a DEPENDENT.” You may also apply for coverage and/or add DEPENDENTS within a 30-day period following any of the qualifying life events (QLEs) listed below unless otherwise noted. A QLE for one individual within a family qualifies as an event for the MEMBER and all family members, regardless of current enrollment.

Coverage is effective no later than the first day of the first month following a completed request for enrollment. The following are considered QLEs:

- You or your DEPENDENTS become eligible for coverage under this health benefit plan
- You get married or obtain a DEPENDENT through birth, court or administrative order, adoption, placement in anticipation of adoption, or foster care placement of an eligible child
- You or your DEPENDENTS lose coverage under another health benefit plan, and each of the following conditions is met:
 - you and/or your DEPENDENTS are otherwise eligible for coverage under this health benefit plan, and
 - you and/or your DEPENDENTS were covered under another health benefit plan at the time this coverage was previously offered and declined enrollment due to the other coverage, and
 - you and/or your DEPENDENTS lose coverage under another health benefit plan due to i) the exhaustion of the COBRA continuation period, or ii) the loss of eligibility for that coverage for reasons including, but not limited to, divorce, loss of DEPENDENT status, death of the EMPLOYEE, termination of employment, or reduction in the number of hours of employment, or iii) the termination of the other plan’s coverage, or iv) the offered health benefit plan not providing benefits in your service area and no other health benefit plans are available, or v) the termination of EMPLOYER contributions toward the cost of the other plan’s coverage, or vi) meeting or exceeding the lifetime benefit maximum, or vii) the discontinuance of the health benefit plan to similarly situated individuals
- You or your DEPENDENTS lose coverage due to loss of eligibility under Medicaid or the Children’s Health Insurance Program (CHIP) and apply for coverage under this health benefit plan within 60 days
- You or your DEPENDENTS become eligible for premium assistance with respect to coverage under this health benefit plan under Medicaid or the Children’s Health Insurance Program (CHIP) and apply for coverage under this health benefit plan within 60 days.

Adding or Removing a DEPENDENT

Do you want to add or remove a DEPENDENT? You must notify your GROUP ADMINISTRATOR and fill out any required forms.

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

For coverage to be effective on the date the DEPENDENT becomes eligible, your form must be completed within 30 days after the DEPENDENT becomes eligible. However, if you are adding a newborn child, a child placed by court or administrative order, a child legally placed for adoption or a FOSTER CHILD, and adding the DEPENDENT CHILD would not change your coverage type or premiums, the change will be effective on the date the child becomes eligible (the date of birth for a newborn, the date of placement for adoption for adoptive children, or the date of placement of a FOSTER CHILD in your home), as long as coverage was effective on that date. In these cases, notice is not required by Blue Cross NC within 30 days after the child becomes eligible, but it is important to provide notification as soon as possible.

DEPENDENTS must be removed from coverage when they are no longer eligible, such as when a child is no longer eligible due to age, or when a spouse is no longer eligible due to divorce or death. Failure to timely notify your GROUP ADMINISTRATOR of the need to remove a DEPENDENT could result in loss of eligibility for continuation of coverage.

Qualified Medical Child Support Order

A Qualified Medical Child Support Order (QMCSO) is any judgment, decree or order that is issued by an appropriate court or through an administrative process under state law that: (1) provides for coverage of the child of a MEMBER under Blue Cross NC; and (2) is either issued according to state law or a law relating to medical child support described in Section 1908 of the Social Security Act. A QMCSO must be specific as to the participant whose child(ren) is (are) to be covered, the type of coverage, the child(ren) to be covered and the applicable period of the QMCSO. A copy of the QMCSO procedures may be obtained free of charge from your GROUP ADMINISTRATOR.

Types of Coverage

- EMPLOYEE-only coverage—This health benefit plan covers only you
- EMPLOYEE-spouse coverage—This health benefit plan covers you and your spouse
- EMPLOYEE-children coverage—This health benefit plan covers you and your DEPENDENT CHILDREN
- Family coverage—This health benefit plan covers you, your spouse and your DEPENDENT CHILDREN.

Reporting Changes

Have you moved, added or changed other health coverage, changed your name or phone number? If so, contact your GROUP ADMINISTRATOR and fill out the proper form. It will help us give you better service if Blue Cross NC is kept informed of these changes.

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

Continuing Coverage

Under certain circumstances, your eligibility for coverage under this health benefit plan may end. You may have certain options such as enrolling in Medicare, continuing health insurance under this health benefit plan, or purchasing an individual conversion policy.

Medicare

When you reach age 65, you may be eligible for Medicare Part A hospital, Medicare Part B medical, and Medicare Part D PRESCRIPTION DRUG benefits. You may be eligible for Medicare benefits earlier if you become permanently disabled or develop end-stage renal disease. Just before either you or your spouse turn 65, or when disability or end-stage renal disease occurs, you should contact the nearest Social Security office and apply for Medicare benefits. They can tell you what Medicare benefits are available.

If you are covered by this health benefit plan when you become eligible for Medicare, consult your GROUP ADMINISTRATOR, who will advise you about continuation of coverage under this health benefit plan.

Continuation Under Federal Law

Under a federal law known as COBRA, if your EMPLOYER has 20 or more EMPLOYEES, you and your covered DEPENDENTS can elect to continue coverage for up to 18 months by paying applicable fees to the EMPLOYER in the following circumstances:

- Your employment is terminated (unless the termination is the result of gross misconduct)
- Your hours worked are reduced, causing you to be ineligible for coverage.

In addition to their rights above, DEPENDENTS will be able to continue coverage for up to 36 months if their coverage is terminated due to:

- Your death
- Divorce
- Your entitlement to Medicare
- A DEPENDENT CHILD ceasing to be a DEPENDENT under the terms of this coverage.

Children born to or placed for adoption with you during the continuation coverage period are also eligible for the remainder of the continuation period.

Domestic partners and children of the domestic partner are not eligible for COBRA benefits under federal law. All references to DEPENDENTS in this section do not apply to a domestic partner or their children.

If you are a retired EMPLOYEE and your EMPLOYER allows coverage to extend to retirees under this health benefit plan, and you, your spouse and your DEPENDENTS lose coverage resulting from a bankruptcy proceeding against your EMPLOYER, you may qualify for continuation coverage under COBRA. Contact your GROUP ADMINISTRATOR for conditions and duration of continuation coverage.

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

In addition, you and/or your DEPENDENTS, who are determined by the Social Security Administration to be disabled, may be eligible to extend their 18-month period of continuation coverage, for a total maximum of 29 months. The disability has to have started at some time before the 60th day of continuation coverage and must last at least until the end of the 18-month period of continuation coverage. Notice must be provided to the GROUP ADMINISTRATOR within 60 days of the determination of disability by the Social Security Administration and prior to the end of the original 18-month period of continuation coverage. In addition, notice must be provided to the GROUP ADMINISTRATOR within 30 days after the later of the date of determination that the individual is no longer disabled or the date of the initial notification of this notice requirement.

You or your DEPENDENTS must notify the GROUP ADMINISTRATOR within 60 days of the following qualifying life events (QLEs):

- Divorce
- Ineligibility of a DEPENDENT CHILD.

You and/or your DEPENDENTS will be offered continuation coverage within 14 days of the date that the COBRA administrator is notified of one of these events resulting in the termination of your coverage. Eligible persons have 60 days to elect or reject continuation coverage. Following election, applicable fees must be paid to the COBRA administrator within 45 days.

Continuation coverage will end at the completion of the applicable continuation period or earlier if:

- Your EMPLOYER ceases to provide a health benefit plan to EMPLOYEES
- The continuing person fails to pay the monthly fee on time
- The continuing person obtains coverage under another group plan
- The continuing person becomes entitled to Medicare after the election of continuation coverage.

If you are covered by this health benefit plan and called to the uniformed services, as defined in the Uniformed Services Employment and Reemployment Rights Act (USERRA), consult your GROUP ADMINISTRATOR. Your GROUP ADMINISTRATOR will advise you about the continuation of coverage and reinstatement of coverage under this health benefit plan as required under USERRA.

If you have any questions about your COBRA rights or continuation of coverage, please contact your GROUP ADMINISTRATOR.

Continuation Under State Law

Under state law, you and your covered DEPENDENTS of any size EMPLOYER group have the option to continue group coverage for 18 months from the date that you and/or your DEPENDENTS cease to be eligible for coverage under this health benefit plan. You and your DEPENDENTS are not eligible for continuation under state law if:

- Your insurance terminated because you failed to pay the appropriate contribution

WHEN COVERAGE BEGINS AND ENDS *(cont.)*

- You or your DEPENDENTS are eligible for another group health benefit plan
- You or your DEPENDENTS were covered less than three consecutive months prior to termination.

You and/or your DEPENDENTS must notify the GROUP ADMINISTRATOR if you or your DEPENDENTS intend to continue coverage and pay the applicable fees within 60 days following the end of eligibility. Upon receipt of the notice of continuation and applicable fees, Blue Cross NC will reinstate coverage back to the date eligibility ended. The state law continuation benefits run concurrently and not in addition to any applicable federal continuation rights.

Under state law, continuation of coverage under this health benefit plan will end at the completion of the applicable continuation period or earlier if:

- Your EMPLOYER ceases to provide a health benefit plan to EMPLOYEES
- The continuing person fails to pay the monthly fee
- The continuing person obtains similar coverage under another group plan.

When My Coverage Under This Health Benefit Plan Ends

Persons who have elected to continue with individual coverage will be contacted by the GROUP ADMINISTRATOR within 180 days before the end of their continuation period and offered individual conversion coverage.

If you or your DEPENDENTS are no longer eligible for coverage under this health benefit plan, you may transfer to individual conversion coverage. For continuous coverage, ensure that your premiums are paid during the continuation period. Blue Cross NC must be notified within 31 days of loss of eligibility. You must complete an Individual Enrollment Application and pay the applicable premium. Services during the 31-day conversion period will be covered only if the premium is received before the end of the 31-day period. Other options for enrollment in health insurance coverage may be available to you when your coverage in this health benefit plan ends, including, but not limited to, enrollment via the Health Insurance MARKETPLACE.

Persons who have exhausted their continuation coverage rights may also be eligible for a federally-mandated product many insurance companies must offer. If you meet the following requirements, check with Blue Cross NC or another insurance carrier to see if you qualify:

- The applicant has 18 or more months of prior CREDITABLE COVERAGE
- The applicant's most recent coverage was group coverage
- The applicant is not eligible for Medicare or another group health insurance plan.

Certificate of CREDITABLE COVERAGE

Blue Cross NC or its designee will supply a Certificate of CREDITABLE COVERAGE when your or your DEPENDENT'S coverage under this health benefit plan ends or you exhaust continuation of coverage. Keep the Certificate of CREDITABLE COVERAGE in a safe place. You may request a Certificate of CREDITABLE COVERAGE from Blue Cross NC Customer

Service while you are still covered under this health benefit plan and up to 24 months following your termination. You may call Blue Cross NC Customer Service at the number listed in “Who to Contact?”, Monday through Friday except holidays or visit our website at www.BlueConnectNC.com.

Termination of MEMBER Coverage

A MEMBER’S termination shall be effective at 11:59 p.m. on the date that eligibility ends.

Termination for Cause

A MEMBER’S coverage may be terminated upon 31 days prior written notice for the following reasons:

- The MEMBER fails to pay or to have paid on his or her behalf or to make arrangements to pay any copayments, deductible or coinsurance for services covered under this health benefit plan
- No IN-NETWORK PROVIDER is able to establish or maintain a satisfactory DOCTOR-patient relationship with a MEMBER, as determined by Blue Cross NC
- A MEMBER exhibits disruptive, abusive, or fraudulent behavior toward an IN-NETWORK PROVIDER.

As an alternative to termination as stated above, Blue Cross NC, in its sole discretion, may limit or revoke a MEMBER’S access to certain IN-NETWORK PROVIDERS.

A MEMBER’S coverage will be terminated immediately by Blue Cross NC for the following reasons:

- Fraud or intentional misrepresentation of a material fact by a MEMBER. However, if such termination is made retroactively, including back to the EFFECTIVE DATE of your policy (called a rescission), you will be given 30 days advance written notice of this rescission and may submit an appeal; see “Need to Appeal Our Decision?” If your policy is rescinded, any premiums paid will be returned unless Blue Cross NC deducts the amount for any claims paid.
- A MEMBER has been convicted of (or a restraining order has been issued for) communicating threats of harm to Blue Cross NC personnel or property
- A MEMBER permits the use of his or her or any other MEMBER’S ID CARD by any other person not enrolled under this health benefit plan, or uses another person’s ID CARD.

UTILIZATION MANAGEMENT

This section provides information on how certain services are reviewed to determine if they are MEDICALLY NECESSARY, in the appropriate health care setting and/or for the appropriate length of time.

Table of Contents: • Rights and Responsibilities • PRIOR REVIEW • Concurrent Review • Retrospective Review • Care Management • Continuity of Care • Delegated UTILIZATION MANAGEMENT	Key Words: • ADVERSE BENEFIT DETERMINATION • MEDICALLY NECESSARY • CERTIFICATION • PRIOR REVIEW
---	--

To make sure you can have high quality, cost-effective health care, Blue Cross NC has a UTILIZATION MANAGEMENT (UM) program. The UM program requires certain health care services to be reviewed and approved by Blue Cross NC in order to receive benefits. As part of this process, Blue Cross NC looks at whether health care services are MEDICALLY NECESSARY, given in the proper health care setting and/or for a reasonable length of time. Blue Cross NC will honor a CERTIFICATION to cover medical services or supplies under this health benefit plan unless the CERTIFICATION was based on:

- A material misrepresentation about your health condition
- You were not eligible for these services under this health benefit plan due to cancellation of coverage (including your voluntary termination of coverage)
- Nonpayment of premiums.

Rights and Responsibilities Under the UM Program

Your MEMBER Rights

Under the UM program, you have the right to:

- A UM decision that is timely, meeting applicable state and federal time frames
- The reasons for Blue Cross NC's ADVERSE BENEFIT DETERMINATION of a requested treatment or health care service, along with an explanation of the UM criteria and treatment protocol used to reach the decision
- Have a medical director (DOCTOR licensed in North Carolina) from Blue Cross NC make a final decision of all NONCERTIFICATIONS
- Request a review of an ADVERSE BENEFIT DETERMINATION through our appeals process (see "Need to Appeal Our Decision?")
- Have an authorized representative seek payment of a claim or make an appeal on your behalf.

An authorized representative may act on the MEMBER'S behalf with the MEMBER'S written consent. In the event you name an authorized representative, "you" under the

UTILIZATION MANAGEMENT *(cont.)*

“UTILIZATION MANAGEMENT” section means “you or your authorized representative”. Your authorized representative will also receive all notices and benefit determinations.

Blue Cross NC’s Responsibilities

As part of all UM decisions, Blue Cross NC will:

- Give you and your PROVIDER a toll-free phone number to call UM review staff when CERTIFICATION of a health care service is needed.
- Limit what we ask from you or your PROVIDER to information that is needed to review the service in question
- Ask for all information needed to make the UM decision, including related clinical information
- Give you and your PROVIDER timely notification of the UM decision consistent with applicable state and federal law and this health benefit plan.

In the event that Blue Cross NC does not receive all the needed information to approve coverage for a health care service within set time frames, Blue Cross NC will let you know of an ADVERSE BENEFIT DETERMINATION in writing. The notice will explain how you may appeal the ADVERSE BENEFIT DETERMINATION.

PRIOR REVIEW (Pre-Service)

Certain services require PRIOR REVIEW as noted in “COVERED SERVICES.” These types of reviews are called pre-service reviews. IN-NETWORK PROVIDERS in North Carolina will request PRIOR REVIEW when necessary. IN-NETWORK inpatient facilities outside of North Carolina will also request PRIOR REVIEW for you, except for Veterans’ Affairs (VA), SKILLED NURSING FACILITIES, and military PROVIDERS. If you go to any other PROVIDER outside of North Carolina or to an OUT-OF-NETWORK PROVIDER in North Carolina, you are responsible for ensuring that you or your PROVIDER requests PRIOR REVIEW by Blue Cross NC. Approval of a pre-service review for services to be provided by an OUT-OF-NETWORK PROVIDER does not guarantee payment of the OUT-OF-NETWORK PROVIDER billed charges. Blue Cross NC pays the ALLOWED AMOUNT for COVERED SERVICES rendered by an OUT-OF-NETWORK PROVIDER. If PRIOR REVIEW is required by Blue Cross NC, you or your PROVIDER must request PRIOR REVIEW regardless of whether this health benefit plan is your primary or secondary coverage (see “Coordination of Benefits (Overlapping Coverage)”). If neither you nor your PROVIDER requests PRIOR REVIEW and receives CERTIFICATION, this may result in an ADVERSE BENEFIT DETERMINATION. The list of services that need PRIOR REVIEW may change from time to time.

General categories of services with this requirement are noted in “COVERED SERVICES.” The list of services that require PRIOR REVIEW may change from time to time. For a detailed list of these services and the most up-to-date information, visit our website at www.BlueConnectNC.com or call Blue Cross NC Customer Service at the number listed in “Who to Contact?”.

UTILIZATION MANAGEMENT *(cont.)*

If you fail to follow the procedures for filing a request, Blue Cross NC will let you and your PROVIDER know of the failure and the proper filing procedures to be followed within five days of receiving the request.

Blue Cross NC will make a decision on your request for CERTIFICATION within a reasonable amount of time taking into account the medical circumstances. The decision will be made and communicated to you and your PROVIDER within three business days after Blue Cross NC receives all necessary information. However, it will be no later than 15 calendar days from the date Blue Cross NC received the request. Blue Cross NC may extend this period one time for up to 15 days if additional information is required. Blue Cross NC will let you or your PROVIDER know before the end of the initial 15-day period of the information needed. You will have 45 days to provide the requested information. As soon as Blue Cross NC receives all the requested information, or at the end of the 45 days, whichever is earlier, Blue Cross NC will make a decision within three business days. Blue Cross NC will let you and the PROVIDER know of an ADVERSE BENEFIT DETERMINATION electronically or in writing.

Urgent PRIOR REVIEW

You have a right to an urgent review when the regular time frames for a decision: (i) could seriously jeopardize your life, health, or safety or the life, health or safety of others, due to your psychological state; or (ii) in the opinion of a practitioner with knowledge of your medical or behavioral condition, would subject you to adverse health consequences without the care or treatment that is the subject of the request. Blue Cross NC will let you and your PROVIDER know of its decision within three calendar days after receiving the request. Your PROVIDER will be notified of the decision, and if the decision results in an ADVERSE BENEFIT DETERMINATION, written notification will be given to you and your PROVIDER.

If Blue Cross NC needs more information to process your urgent review, Blue Cross NC will let you or your PROVIDER know of the information needed as soon as possible but no later than one calendar day after we receive your request. Blue Cross NC will make a decision on your request no later than three calendar days after receipt of the urgent request. If all necessary information is not received, Blue Cross NC may take an extension under certain circumstances. Notification of the decision will be provided within five calendar days.

An urgent review may be requested by calling Blue Cross NC Customer Service at the number given in "Who to Contact?"

Concurrent Reviews

Blue Cross NC will also review health care services at the time you receive them. These types of reviews are concurrent reviews.

If a request for an extension of treatment is non-urgent (such as, skilled nursing visits), a decision will be made and communicated to the requesting PROVIDER within three business days after receipt of all necessary clinical information, but no later than 15 calendar days

UTILIZATION MANAGEMENT *(cont.)*

after we receive the request. In the event of an ADVERSE BENEFIT DETERMINATION, Blue Cross NC will let you, and your PROVIDER know within three business days after receipt of all necessary clinical information, but no later than 15 calendar days after Blue Cross NC receives the request. Written confirmation of the decision will also be sent to your home by U.S. mail. For concurrent reviews, Blue Cross NC will remain responsible for COVERED SERVICES you are receiving until you or your representatives have been notified of the ADVERSE BENEFIT DETERMINATION.

Urgent Concurrent Review

If a request for an extension of treatment is urgent, and the request is received at least 24 hours before the expiration of a previously approved inpatient stay or course of treatment at the requesting HOSPITAL or other facility, and contains all necessary information, a decision will be made and given to the requesting HOSPITAL or other facility as soon as possible. However, the decision will be no later than 24 hours after we receive the request.

If a request for extension of treatment is urgent, and the request is not received at least 24 hours before the expiration of a previously approved inpatient stay or course of treatment at the requesting HOSPITAL or other facility, or the request is not submitted with all necessary information, a decision will be made and communicated as soon as possible, but no later than 72 hours after we receive the request.

If Blue Cross NC needs more information to process your urgent concurrent review, Blue Cross NC will let the requesting HOSPITAL or other facility know of the information needed as soon as possible but no later than 24 hours after we receive the request. The requesting HOSPITAL or other facility will then be given a reasonable amount of time, but not less than 24 hours, to provide the requested information. Blue Cross NC will make a decision within 72 hours after receipt of the request.

Retrospective Reviews (Post-Service)

Blue Cross NC also reviews the coverage of health care services after you receive them (retrospective/post-service reviews). Retrospective review may include a review to see if services received in an EMERGENCY setting qualify as an EMERGENCY. All decisions will be based on MEDICAL NECESSITY and whether the service received was a benefit under this health benefit plan.

Blue Cross NC will make all retrospective review decisions and let you and your PROVIDER know of its decision within a reasonable time but no later than 30 calendar days from the date Blue Cross NC received the request for coverage. If the request for coverage does not include all necessary information and more information is needed before the end of the initial 30-calendar day decision notification time period ends, Blue Cross NC will let you or your authorized representative know of the information needed. You or your authorized representative will then have up to 90 days to respond and provide the requested information. As soon as Blue Cross NC receives a response to its request for the needed information from you or your authorized representative OR at the end of the 90 day time

UTILIZATION MANAGEMENT *(cont.)*

period and there has been no response to the request for the needed information from you or your authorized representative, whichever is earlier, Blue Cross NC will make a decision and give written notification of its decision within 15 calendar days. Regardless, if additional information is needed, in the event of a NONCERTIFICATION, Blue Cross NC will let you and your PROVIDER know in writing within five business days after making the NONCERTIFICATION.

Services that were approved in advance by Blue Cross NC will not be subject to denial for MEDICAL NECESSITY once the claim is received, unless the CERTIFICATION was based on a material misrepresentation about your health condition or you were not eligible for these services under this health benefit plan due to termination of coverage or nonpayment of premiums. All other services may be subject to retrospective review and could be denied for MEDICAL NECESSITY or for a benefit limitation or exclusion.

Care Management

MEMBERS with complicated and/or chronic medical needs may be eligible for care management services.

Care management (case management as well as disease management) encourages MEMBERS with complicated or chronic medical needs, their PROVIDERS, and Blue Cross NC to work together to meet the individual's health needs and promote quality outcomes.

To accomplish this, MEMBERS enrolled in or eligible for care management programs may be contacted by Blue Cross NC or by a representative of Blue Cross NC. Blue Cross NC is not obligated to give the same benefits or services to a MEMBER at a later date or to any other MEMBER. Information about these services can be found on our website at www.bluecrossnc.com/members/health-plans or by calling Care Management Nurse Support at the number listed in "Who to Contact?" You may also want to talk to your PCP or SPECIALIST.

In addition to our care management programs for MEMBERS with complicated and/or chronic medical needs, MEMBERS may receive reduced or waived out-of-pocket costs in connection with programs and/or promotions. These are designed to encourage MEMBERS to seek appropriate, high quality, efficient care based on Blue Cross NC criteria.

Continuity of Care

Continuity of Care is a process that allows you to continue receiving care from an OUT-OF-NETWORK PROVIDER for an ongoing special condition at the IN-NETWORK benefit level when you or your GROUP changes health benefit plans or when your PROVIDER is no longer in the Blue Options network. If your PCP or SPECIALIST leaves our PROVIDER network and they are currently treating you for an ongoing special condition that meets our Continuity of Care criteria, Blue Cross NC will notify you in writing 30 days before the PROVIDER'S termination. If a practitioner notifies Blue Cross NC of termination less than thirty (30) days prior to the effective date, Blue Cross NC shall notify the affected members as soon as possible, but no later than thirty (30) calendar days after receipt of notification. To be eligible for Continuity of Care, you must be actively being seen by an OUT-OF-NETWORK PROVIDER for an ongoing

UTILIZATION MANAGEMENT *(cont.)*

special condition and the PROVIDER must agree to abide by Blue Cross NC's requirements for Continuity of Care.

An ongoing special condition means:

- **SERIOUS AND COMPLEX CONDITION**
 - Acute illness (required specialized medical treatment to avoid death or permanent harm)
 - Chronic illness (life-threatening, degenerative, potentially disabling, or CONGENITAL requiring treatment over a prolonged period of time)
- Course of institutional or inpatient care
- Scheduled to undergo nonelective SURGERY, including receipt of postoperative care with respect to such a SURGERY
- Pregnant and undergoing a course of treatment for the pregnancy (e.g., from initially visiting the DOCTOR through the pregnancy, including postpartum care)
- Terminally ill.

The allowed transitional period shall end on the earlier of (i) 90 days from the date of the PROVIDER termination; or (ii) the date on which the MEMBER is no longer a patient undergoing care of the ongoing special condition with respect to such PROVIDER or facility, except in the cases of:

- Scheduled SURGERY, organ transplantation, or inpatient care which shall extend through the date of discharge and post-discharge follow-up care or other inpatient care occurring within 90 days of the date of discharge; and
- Terminal illness which shall extend through the remainder of the individual's life for care directly related to the treatment of the terminal illness; and
- Pregnancy which shall extend through the provision of 60 days of postpartum care.

Continuity of Care requests must be submitted to Blue Cross NC within 45 days of the PROVIDER termination date or within 45 days of EFFECTIVE DATE for MEMBERS new to the Blue Cross NC plan. Continuity of care requests will be reviewed by a medical professional based on the information given about specific medical conditions. If your Continuity of Care request is denied, you may request a review through our appeals process (see "Need to Appeal Our Decision?"). Claims for approved Continuity of Care services will be subject to your IN-NETWORK benefit. In these situations, benefits are based on the billed amount. However, you may be responsible for charges billed separately by the PROVIDER which are not eligible for additional reimbursement. Continuity of Care will not be given when the PROVIDER'S contract was terminated for reasons relating to quality of care or fraud. Such a decision may not be reviewed on appeal.

Please call Blue Cross NC Customer Service at the number listed in "Who to Contact?" for more information.

In addition to the UTILIZATION MANAGEMENT (UM) program, Blue Cross NC offers a voluntary appeals process for our MEMBERS. An appeal is another review of your case. If you want to appeal an ADVERSE BENEFIT DETERMINATION or have a GRIEVANCE, you can request that Blue Cross NC review the decision or GRIEVANCE.

The process may be requested by the MEMBER or an authorized representative acting on the MEMBER'S behalf with the MEMBER'S written consent. In the event you name an authorized representative, "you" under this section means "you or your authorized representative." Your representative will also receive all notices and benefit determinations from the appeal. You may also ask for, at no charge, reasonable access to, and copies of, all documents, records and other information relevant to your claim for benefits. Additionally, you will be provided with, at no charge, any new or additional evidence that is relied upon or generated by the health benefit plan or Blue Cross NC in connection with the claim being appealed.

Steps to Follow in the Appeals Process

For each step in this process, there are set time frames for filing an appeal and for letting you or your PROVIDER know of the decision. The type of ADVERSE BENEFIT DETERMINATION or GRIEVANCE will determine the steps that you will need to follow in the appeals process. For appeals about an ADVERSE BENEFIT DETERMINATION, the review must be requested in writing, within 180 days of an ADVERSE BENEFIT DETERMINATION or by the date listed on your Explanation of Benefits.

Any request for review should include:

- SUBSCRIBER'S ID number
- SUBSCRIBER'S name
- Patient's name
- The nature of the appeal
- Any other information that may be helpful for the review.

To request a form to submit a request for review, visit our website at **www.BlueConnectNC.com** or call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

All information related to a request for a review through Blue Cross NC's appeals process should be sent to:

After a request for review, a staff member who works in a separate department from the staff members who denied your first request will look at your appeal. The appeals staff members have not reviewed your case or information before. The denial of the initial claim will not have an effect on the review.

If a claims denial is based on medical judgment, including determinations about whether a certain treatment, drug or other item is EXPERIMENTAL, INVESTIGATIONAL, or not MEDICALLY NECESSARY or appropriate, Blue Cross NC shall seek advice from a health care professional with an appropriate level of training and expertise in the field of medicine involved (as determined by Blue Cross NC). The health care professionals have not reviewed your case or information before.

You will have exhausted Blue Cross NC's internal appeals process after pursuing a first level appeal. Unless specifically noted below, upon completion of the first level appeal you may (1) pursue a second level appeal; (2) pursue an external review; or (3) pursue a civil action under 502(a) of ERISA or under state law, as applicable. You will be deemed to have exhausted Blue Cross NC's internal appeals process at any time it is determined that Blue Cross NC failed to strictly adhere to all claim determinations and appeal requirements under federal law (other than minor errors that are not likely to cause prejudice or harm to you and were for good cause or a situation beyond Blue Cross NC's control). In the event you are deemed to have exhausted Blue Cross NC's internal appeals process and, unless specifically noted below, you may pursue items (2) or (3) described above.

Internal Appeals

First Level Appeal

Blue Cross NC will provide you with the name, address and phone number of the appeals coordinator within three business days after receipt of a review request. Blue Cross NC will also give you instructions on how to submit written materials.

Although you are not allowed to attend a first level appeal, you may provide and/or present written evidence and testimony. Blue Cross NC asks that you send all of the written material you feel is necessary to make a decision. Blue Cross NC will use the material provided in the request for review, along with other available information, to reach a decision.

If your appeal is due to a NONCERTIFICATION, your appeal will be reviewed by a North Carolina licensed medical DOCTOR who was not involved in the initial NONCERTIFICATION decision. You may receive, in advance, any new information or rationale that Blue Cross NC may use in making a decision, so that you may have an opportunity to respond prior to the notice of an ADVERSE BENEFIT DETERMINATION.

Blue Cross NC will send you and your PROVIDER notification of the decision in clear written terms, within a reasonable time but no later than 30 days from the date Blue Cross NC received the request. You may then request all information that was relevant to the review.

Quality of Care Complaints

For quality of care complaints, an acknowledgement will be sent by Blue Cross NC within ten business days. We will refer the complaint to our quality assurance committee for

review and consideration or any appropriate action against the PROVIDER. State law does not allow for a second-level grievance review for grievances concerning quality of care.

Second Level Appeal

Second Level Appeal Timeline

Blue Cross NC Notifies You	Within 10 business days after receipt of request
Second Level Appeal Meeting	Occurs within 45 days after receipt of request
Notice of the Appeal Meeting	15 days before the appeal meeting
Notice of Decision	7 days after the appeal meeting

If this health benefit plan is subject to ERISA, the first level appeal is the only level that you must complete before you can pursue your appeal in an action in federal court.

Otherwise, if you do not agree with the first level appeal decision, you have the right to a second level appeal. Second level appeals are not allowed for benefits or services that are clearly excluded by this benefit booklet, or quality of care complaints. Within ten business days after Blue Cross NC receives your request for a second level appeal, Blue Cross NC will send you an acknowledgement letter which will include the following:

- Name, address and phone number of the appeals coordinator
- Availability of Health Insurance Smart NC including address and phone number
- A statement of your rights, including the right to:
 - request and receive from us all information that applies to your appeal
 - take part in the second level appeal meeting
 - present your case to the review panel
 - submit supporting material before and during the review meeting
 - ask questions of any member of the review panel
 - be assisted or represented by a person of your choosing, including a family MEMBER, an EMPLOYER representative, or an attorney
 - pursue other voluntary alternative dispute resolution options as applicable.

The second level appeal meeting will be conducted by a review panel arranged by Blue Cross NC. The panel will include external physicians and/or benefit experts. This will be held within 45 days after Blue Cross NC receives a second level appeal. Blue Cross NC will give you notice of the meeting date and time at least 15 days before the meeting. The meeting will be held by teleconference. You have the right to a full review of your appeal even if you do not take part in the meeting. A written decision will be issued to you within seven business days of the review meeting.

Notice of Decision

If any claim (whether expedited or nonexpedited) shall be wholly or partially denied at either the first level appeal or the second level appeal, a written notice shall be provided to the MEMBER worded in an understandable manner and shall set forth:

- The specific reason(s) for the denial
- Reference to the specific health benefit plan provisions on which the decision is based
- A statement that the MEMBER is entitled to receive reasonable access to, and copies of, all documents, records and other information relevant to the MEMBER'S claim for benefits upon request at no additional cost.
- If applicable, a statement describing any voluntary appeals procedures and the MEMBER'S right to receive information about the procedures as well as the MEMBER'S right to bring a civil action under Section 502(a) of ERISA following an adverse determination upon review
- A copy of any internal rule, guideline, protocol or other similar criteria relied on in making the decision or a statement that such specific rule, guideline, protocol, or other similar criteria was relied upon in making the decision upon request at no additional cost
- If the decision is based on MEDICAL NECESSITY or EXPERIMENTAL treatment or a similar exclusion or limit, either an explanation of the scientific or clinical judgment for the determination, applying the terms of this health benefit plan to the MEMBER'S medical circumstances, or a statement that such explanation will be provided at no additional cost upon request; and
- The following statement: "You may have other voluntary alternative dispute resolution options, such as mediation. One way to find out what may be available is to contact your local U.S. Department of Labor Office and your State insurance regulatory agency."

Expedited Appeals (Available only for NONCERTIFICATIONS)

You have the right to a more rapid or expedited review of a NONCERTIFICATION if a delay: (i) would reasonably appear to seriously jeopardize your or your DEPENDENT'S life, health or ability to regain maximum function; or (ii) in the opinion of your PROVIDER, would subject you or your DEPENDENT to severe pain that cannot be adequately managed without the requested care or treatment.

You can request an expedited second level review even if you did not request that the initial review be expedited. To start the process of an expedited appeal, you can call Blue Cross NC Customer Service at the phone number given in "Who to Contact?" An expedited review will take place in consultation with a medical DOCTOR. All of the same conditions for a first level or second level appeal apply to an expedited review. Blue Cross NC will communicate the decision by phone to you and your PROVIDER as soon as possible, taking into account the medical circumstances. The decision will be communicated no later than 72 hours after receiving the request. A written decision will

NEED TO APPEAL OUR DECISION? *(cont.)*

be communicated within four days after receiving the request for the expedited appeal. Information initially given by telephone must also be given in writing.

After requesting an expedited review, Blue Cross NC will remain responsible for covered health care services you are receiving until you have been notified of the review decision.

External Review (Available only for NONCERTIFICATIONS)

Federal and state law allows for a review of ADVERSE BENEFIT DETERMINATIONS by an external, independent review organization (IRO). The North Carolina Department of Insurance (NCDOI) administers this service at no charge to you. NCDOI will arrange for an IRO to review your case once the NCDOI confirms that your request is complete and eligible for review. Blue Cross NC will let you know of your right to request an external review each time you receive:

- an ADVERSE BENEFIT DETERMINATION, or
- an appeal decision upholding an ADVERSE BENEFIT DETERMINATION, or
- a second level appeal decision upholding an ADVERSE BENEFIT DETERMINATION.

However, in order for your request to be eligible for an external review, the NCDOI must determine the following:

- your request is about a MEDICAL NECESSITY determination that resulted in an ADVERSE BENEFIT DETERMINATION (e.g. NONCERTIFICATION);
- you had coverage with Blue Cross NC when the ADVERSE BENEFIT DETERMINATION was issued;
- the service for which the ADVERSE BENEFIT DETERMINATION was issued appears to be a COVERED SERVICE; and
- you have exhausted or have been deemed to have exhausted Blue Cross NC's internal appeals process as described below.

For a standard external review, you will have exhausted the internal appeals process if you have:

- completed Blue Cross NC's first and second level appeals and received a written second level determination from Blue Cross NC, or
- filed a second level appeal and have not requested or agreed to a delay in the second level appeals process, but have not received Blue Cross NC's written decision within 60 days of the date you can show that the appeal was filed with Blue Cross NC, or
- received written notification that Blue Cross NC has agreed to waive the requirement to exhaust the internal appeal and/or second level appeals process, or
- determined that Blue Cross NC failed to strictly adhere to all claim determinations and appeal requirements under federal law (as discussed above).

External reviews are performed on a standard or expedited basis. The basis depends on which is requested and on whether medical circumstances meet the criteria for expedited review.

NEED TO APPEAL OUR DECISION? *(cont.)*

Standard External Review

For all requests for a standard external review, you must file your request with the NCDOI within 120 days of receiving one of the notices listed above.

If the request for an external review is related to a retrospective ADVERSE BENEFIT DETERMINATION (an ADVERSE BENEFIT DETERMINATION takes place after you have already received the services in question), the 60-day time limit for receiving Blue Cross NC's second level determination does not apply. You will not be eligible to request an external review until you have completed the internal appeals process and have received a written second level determination from Blue Cross NC.

Expedited External Review

An expedited external review may be available if the time required to complete either an expedited internal first or second level appeal or a standard external review would be expected to seriously jeopardize your life or health or to jeopardize your ability to regain maximum function. If you meet this requirement, you may file a request to the NCDOI for an expedited external review, after you receive:

- an ADVERSE BENEFIT DETERMINATION from Blue Cross NC and have filed a request with Blue Cross NC for an expedited first level appeal; or
- a first level appeal decision upholding an ADVERSE BENEFIT DETERMINATION and have filed a request with Blue Cross NC for an expedited second level appeal; or
- a second level appeal decision (also known as a final internal adverse benefit determination) from Blue Cross NC.

Prior to your discharge from an inpatient facility, you may also request an expedited external review after receiving a first level appeal or final internal ADVERSE BENEFIT DETERMINATION of the admission, availability of care, continued stay or EMERGENCY health care services.

If your request is not accepted for expedited review, the NCDOI may:

- (1) accept the case for standard external review if you have completed the internal appeals process; or
- (2) require the completion of the internal appeals process and another request for an external review. An expedited external review is not available for retrospective (post-service) ADVERSE BENEFIT DETERMINATIONS.

When processing your request for an external review, the NCDOI will require you to provide them with a written, signed authorization for the release of any of your medical records that need to be reviewed for the external review.

For further information or to request an external review, contact the NCDOI at:

The Health Insurance Smart NC program provides consumer counseling on utilization review and appeals issues.

Within ten business days (or, for an expedited review, within two days) after receipt of your request for an external review, the NCDOL will let you and your PROVIDER know in writing whether your request is complete and whether it has been accepted.

If the NCDOL notifies you that your request is incomplete, you must provide all requested information to the NCDOL within 150 days of the written notice from Blue Cross NC upholding an ADVERSE BENEFIT DETERMINATION (generally the notice of a second level appeal decision), which initiated your request for an external review.

If the NCDOL accepts your request, the acceptance notice will include the following:

- (i) name and contact information for the IRO assigned to your case;
- (ii) a copy of the information about your case that Blue Cross NC has provided to the NCDOL; and
- (iii) a notification that you may submit additional written information and supporting documentation relevant to the initial ADVERSE BENEFIT DETERMINATION to the assigned IRO within seven days after the receipt of the notice.

It is presumed that you have received written notice two days after the notice was mailed. Within seven days of Blue Cross NC's receipt of the acceptance notice (or, for an expedited review, within the same business day), Blue Cross NC shall provide the IRO and you, by the same or similar quick means of communication, the documents and any information considered in making the ADVERSE BENEFIT DETERMINATION or the second level appeal decision.

If you choose to give any additional information to the IRO, you must also give that same information to Blue Cross NC at the same time and by the same means of communication (e.g., you must fax the information to Blue Cross NC if you faxed it to the IRO). When sending additional information to Blue Cross NC, send it to:

NEED TO APPEAL OUR DECISION? *(cont.)*

Durham, NC 27702-3055

Please note that you may also give this additional information to the NCDOI within the seven-day deadline rather than sending it directly to the IRO and Blue Cross NC. The NCDOI will forward this information to the IRO and Blue Cross NC within two days after receiving the additional information.

The IRO will send you written notice of its decision within 45 days (or, for an expedited review, within three days) after the date the NCDOI received your external review request. If the IRO's decision is to reverse the ADVERSE BENEFIT DETERMINATION, Blue Cross NC will, within three business days (or, for an expedited review, within the same day) after receiving notice of the IRO's decision, reverse the ADVERSE BENEFIT DETERMINATION and provide coverage for the requested service or supply.

If you are no longer covered by Blue Cross NC at the time Blue Cross NC receives notice of the IRO's decision to reverse the ADVERSE BENEFIT DETERMINATION, Blue Cross NC will only provide coverage for those services or supplies you actually received or would have received prior to disenrollment if the service had not been noncertified when first requested.

The IRO's external review decision is binding on Blue Cross NC and you, except to the extent you may have other actions available under applicable federal or state law. You may not file a subsequent request for an external review involving the same ADVERSE BENEFIT DETERMINATION for which you have already received an external review decision.

Benefits to Which Members Are Entitled

The only legally binding benefits are described in this benefit booklet, which is part of the GROUP CONTRACT between Blue Cross NC and your EMPLOYER. The terms of your coverage cannot be changed or waived unless Blue Cross NC agrees in writing to the change.

If a MEMBER resides with a custodial parent or legal guardian who is not the SUBSCRIBER, Blue Cross NC will, at its option, make payment to either the PROVIDER of the services or to the custodial parent or legal guardian for services provided to the MEMBER. If the SUBSCRIBER or custodial parent or legal guardian receives payment, it is his or her responsibility to pay the PROVIDER.

Benefits for COVERED SERVICES specified in this health benefit plan will be provided only for services and supplies that are performed by a PROVIDER as specified in this health benefit plan and regularly included in the ALLOWED AMOUNT. Blue Cross NC establishes coverage determination guidelines that specify how services and supplies must be billed in order for payment to be made under this health benefit plan.

Any amounts paid by Blue Cross NC for non-covered services or that are in excess of the benefit provided under your Blue Options coverage may be recovered by Blue Cross NC. Blue Cross NC may recover the amounts by deducting from a MEMBER'S future claims payments. This can result in a reduction or elimination of future claims payments. In addition, under certain circumstances, if Blue Cross NC pays the PROVIDER amounts that are

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

your responsibility, such as deductible, copayments or coinsurance, Blue Cross NC may collect such amounts directly from you.

Blue Cross NC will recover amounts we have paid for work-related accidents, injuries, or illnesses covered under state workers' compensation laws upon final adjudication of the claim or an order of the applicable state agency approving a settlement agreement. It is the legal obligation of the MEMBER, the EMPLOYER or the workers' compensation insurer (whoever is responsible for payment of the medical expenses) to notify Blue Cross NC in writing that there has been a final adjudication or settlement.

PROVIDERS are independent contractors, and they are solely responsible for injuries and damages to MEMBERS resulting from misconduct or negligence.

Blue Cross NC's Disclosure of Protected Health Information (PHI)

At Blue Cross NC, we take your privacy seriously. We handle all PHI as required by state and federal laws and regulations and accreditation standards. We have developed a privacy notice that explains our procedures.

To obtain a copy of the privacy notice, visit our website at www.BlueCrossNC.com or call Blue Cross NC Customer Service at the number listed in "Who to Contact?"

Administrative Discretion

Blue Cross NC shall have the discretionary authority to construe and to interpret the terms of the health benefit plan and to determine the amount of benefits, and its decision on such matters is final and conclusive subject only to the MEMBER'S appeals process set out in the "Need to Appeal our Decision?" section. Such determinations include decisions concerning coverage of services, care, treatment or supplies, and reasonableness of charges. Any interpretation or determination made pursuant to such discretionary authority shall be given full force and effect. Blue Cross NC medical policies are guides considered by Blue Cross NC when making coverage determinations.

Recovery of Overpayment

If a benefit payment is made by Blue Cross NC to or on your behalf, which exceeds the benefit amount that you are entitled to receive, Blue Cross NC has the right

- To require return of the overpayment; or
- To reduce the amount of the overpayment by deducting it from any future benefit payment made to or on behalf of you or another person in your family.

The right of recovery of overpayment does not affect any other right of recovery Blue Cross NC may have with respect to such overpayment. To the extent that Blue Cross NC is required to bring an action for recovery of an overpayment under this policy, Blue Cross NC

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

shall be entitled to recover all costs, including attorneys' fees, from you in the prosecution of any action.

The term "overpayment" includes, but is not limited to, any overpayment made to a PROVIDER in relation to treatment provided to you, any mistaken payment, or any payment made on a claim subject to any service or treatment identified as an exclusion in this benefit booklet. The term "overpayment" does not include subrogation of benefits, the right to repayment of the full cost of all benefits provided by Blue Cross NC on your behalf to the extent you recover from another party.

North Carolina PROVIDER Reimbursement

Blue Cross NC has contracts with certain PROVIDERS of health care services for the provision of, and payment for, health care services provided to all MEMBERS entitled to health care benefits. Blue Cross NC's payment to PROVIDERS may be based on an amount other than the billed charges, including without limitation, an amount per confinement or episode of care, agreed upon schedule of fees, capitated fees, amounts based on cost, quality, utilization or other outcomes, or other methodology as agreed upon by Blue Cross NC and the PROVIDER. Under certain circumstances, a contracting PROVIDER may receive payments from Blue Cross NC greater than the charges for services provided to an eligible MEMBER, or Blue Cross NC may pay less than charges for services, due to negotiated contracts. The MEMBER is not entitled to receive any portion of the payments made under the terms of contracts with PROVIDERS. The MEMBER'S liability when defined as a percent of charge shall be calculated based on the lesser of the ALLOWED AMOUNT or the PROVIDER'S billed charge for COVERED SERVICES provided to a MEMBER.

Some OUT-OF-NETWORK PROVIDERS have other agreements with Blue Cross NC that affect their reimbursement for COVERED SERVICES provided to Blue Options MEMBERS. These PROVIDERS agree not to bill MEMBERS for any charges higher than their agreed upon, contracted amount. In these situations, MEMBERS will be responsible for the difference between the Blue Options ALLOWED AMOUNT and the contracted amount.

OUT-OF-NETWORK PROVIDERS may bill you directly. If you are billed, you will be responsible for paying the bill and filing a claim with Blue Cross NC.

Services Received Outside of North Carolina

Blue Cross NC has a variety of relationships with other Blue Cross and/or Blue Shield licensees, generally referred to as "Inter-Plan Arrangements." As a MEMBER of Blue Cross NC, you have access to PROVIDERS outside the state of North Carolina. Your ID CARD tells PROVIDERS that you are a MEMBER of Blue Cross NC. While Blue Cross NC maintains its contractual obligation to provide benefits to MEMBERS for COVERED SERVICES, the Blue Cross and/or Blue Shield licensee in the state where you receive services ("Host Blue") is responsible for contracting with and generally handling all interactions with its participating PROVIDERS.

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

If you receive inpatient FACILITY SERVICES from an IN-NETWORK PROVIDER outside of North Carolina, except for Veterans' Affairs (VA), SKILLED NURSING FACILITIES, and military PROVIDERS, the PROVIDER is responsible for requesting PRIOR REVIEW. If you see any other PROVIDER outside the State of North Carolina, you are responsible for ensuring that you or the PROVIDER requests PRIOR REVIEW by Blue Cross NC. Failure to request PRIOR REVIEW and obtain CERTIFICATION will result in a full denial of benefits. If you experience an EMERGENCY while traveling outside the state of North Carolina, go to the nearest EMERGENCY or URGENT CARE facility.

All claim types are eligible to be processed through Inter-Plan Arrangements, as described above, except for DENTAL SERVICES (unless provided under your medical benefits), PRESCRIPTION DRUG or vision care benefits that may be administered by a third party contracted by Blue Cross NC to provide the specific service or services.

Whenever you obtain health care services outside the area in which the Blue Cross NC network operates, the claims for these services may be processed through one of these Inter-Plan Arrangements, which include the BlueCard Program and may include Negotiated National Account Arrangements available between Blue Cross NC and other Blue Cross and/or Blue Shield licensees.

Under the BlueCard Program, the amount you pay toward such COVERED SERVICES, such as deductibles, copayments or coinsurance, is usually based on the **lesser** of:

- The billed charges for your COVERED SERVICES, or
- The negotiated price that the Host Blue passes on to us.

This "negotiated price" can be:

- A simple discount that reflects the actual price paid by the Host Blue to your PROVIDER
- An estimated price that factors in special arrangements with your PROVIDER or with a group of PROVIDERS that may include types of settlements, incentive payments, and/or other credits or charges
- An average price, based on a discount that reflects the expected average savings for similar types of health care PROVIDERS after taking into account the same types of special arrangements as with an estimated price.

The estimated or average price may be adjusted in the future to correct for over- or underestimation of past prices. However, such adjustments will not affect the price that Blue Cross NC uses for your claim because they will not be applied retroactively to claims already paid.

Federal law or the laws in a small number of states may require the Host Blue to add a surcharge to your calculation. If federal law or any state laws mandate other liability calculation methods, including a surcharge, we would then calculate your liability for any covered health care services according to applicable law.

As an alternative to the BlueCard Program and depending on your geographic location, your claim may be processed through a Negotiated National Account Arrangement with a Host Blue. In these situations, the amount you pay for COVERED SERVICES will be calculated based

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

on the lower of the participating PROVIDER'S billed covered charges or the negotiated price made available to Blue Cross NC by the Host Blue.

If you receive COVERED SERVICES from a non-participating PROVIDER outside the state of North Carolina, the amount you pay will generally be based on either the Host Blue's non-participating PROVIDER local payment or the pricing arrangements required by applicable state law. However, in certain situations, Blue Cross NC may use other payment bases, such as billed charges, to determine the amount Blue Cross NC will pay for COVERED SERVICES from a non-participating PROVIDER. In other exception cases, Blue Cross NC may pay such a claim based on the payment it would make if Blue Cross NC were paying a non-participating PROVIDER for the same covered healthcare services inside of Blue Cross NC's service area, where the Host Blue's corresponding payment would be more than Blue Cross NC's in-service area non-participating PROVIDER payment, or in Blue Cross NC's sole and absolute discretion, Blue Cross NC may negotiate a payment with such a PROVIDER on an exception basis. In any of these situations, you may be liable for the difference between the non-participating PROVIDER'S billed amount and any payment Blue Cross NC would make for the COVERED SERVICES. Federal or state law, as applicable, will govern payments for OUT-OF-NETWORK EMERGENCY services.

Value-Based Programs: BlueCard® Program

If you receive COVERED SERVICES under a Value-Based Program inside a Host Blue's service area, you will not be responsible for paying any of the PROVIDER Incentives, risk-sharing, and/or Care Coordinator Fees that are a part of such an arrangement, except when a Host Blue passes these fees to Blue Cross NC through average pricing or fee schedule adjustments. These fees are part of the total cost of the claim and you will not be charged separately for them.

Blue Cross Blue Shield Global Core:

If you are outside the United States (hereinafter "BlueCard service area"), you may be able to take advantage of Blue Cross Blue Shield Global Core when accessing COVERED SERVICES. Blue Cross Blue Shield Global Core is unlike the BlueCard Program available in the BlueCard service area in certain ways. For instance, although Blue Cross Blue Shield Global Core assists you with accessing a network of inpatient, outpatient and professional PROVIDERS, the network is not served by a Host Blue. As such, when you receive care from PROVIDERS outside the BlueCard service area, you will typically have to pay the PROVIDERS and submit the claims yourself to obtain reimbursement for these services.

If you need medical assistance services (including locating a DOCTOR or HOSPITAL) outside the BlueCard service area, you should call the service center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week. An assistance coordinator, working with a medical professional, can arrange a physician appointment or hospitalization, if necessary.

- Inpatient Services

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

In most cases, if you contact the service center for assistance, HOSPITALS will not require you to pay for covered inpatient services, except for any applicable copay, deductible or coinsurance amounts. In such cases, the HOSPITAL will submit your claims to the service center to begin claims processing. However, if you paid in full at the time of service, you must submit a claim to receive reimbursement for COVERED SERVICES. You must contact Blue Cross NC to obtain precertification for non-EMERGENCY inpatient services.

- **Outpatient Services**

Physicians, URGENT CARE centers and other outpatient PROVIDERS located outside the BlueCard service area will typically require you to pay in full at the time of service. You must submit a claim to obtain reimbursement for COVERED SERVICES.

- **Submitting a Blue Cross Blue Shield Global Core Claim**

When you pay for COVERED SERVICES outside the BlueCard service area, you must submit a claim to obtain reimbursement. For institutional and professional claims, you should complete a claim form and send the claim form with the PROVIDER'S itemized bill(s) to the service center (the address is on the form) to initiate claims processing. Following the instructions on the claim form will help ensure timely processing of your claim. The claim form is available from Blue Cross NC, the service center or online at www.bcbsglobalcore.com. If you need assistance with your claim submission, you should call the service center at 1-800-810-BLUE (2583) or call collect at 1-804-673-1177, 24 hours a day, seven days a week.

Notice of Claim

Blue Cross NC will not be liable for payment of benefits unless proper notice is furnished to Blue Cross NC that COVERED SERVICES have been provided to a MEMBER. If the MEMBER files the claim, written notice must be given to Blue Cross NC within 18 months after the MEMBER incurs the COVERED SERVICE, except in the absence of legal capacity of the MEMBER. The notice must be on an approved claim form and include the data necessary for Blue Cross NC to determine benefits.

Notice of Benefit Determination

If this health benefit plan is subject to ERISA, Blue Cross NC will provide an explanation of benefits determination to the MEMBER or the MEMBER'S authorized representative within 30 days of Blue Cross NC's receipt of a notice of claim if the MEMBER has financial liability on the claim other than a copayment or other services where payment was made at the point of service. Blue Cross NC may take an extension of up to 15 more days to complete the benefits determination if additional information is needed. If Blue Cross NC takes an extension, we will notify the MEMBER or the MEMBER'S authorized representative of the extension and of the information needed. You will then have 90 days to provide the requested information. As soon as Blue Cross NC receives the requested information, or at the end of the 90 days, whichever is earlier, Blue Cross NC will make a decision within 15 days.

Such notice will be worded in an understandable manner and will include:

- The specific reason(s) for the denial of benefits
- Reference to the benefit booklet sections on which the denial of benefits is based
- A description of any additional information needed for you to perfect the claim and an explanation of why such information is needed
- A description of the review procedures and the time limits applicable to such procedures, including the MEMBER'S right to bring a civil action under Section 502(a) of ERISA following a denial of benefits
- A copy of any internal rule, guideline, protocol or other similar criteria relied on, if any, in making the benefit determination or a statement that it will be provided without charge upon request
- If the denial of benefits is based on MEDICAL NECESSITY or EXPERIMENTAL treatment or a similar exclusion or limit, either an explanation of the scientific or clinical judgment, applying the terms of this health benefit plan to the MEMBER'S medical circumstances, or a statement that this will be provided without charge upon request; and
- In the case of a denial of benefits involving URGENT CARE, a description of the expedited review process available to such claims.

Upon receipt of a denial of benefits, you have the right to file an appeal with Blue Cross NC. See "Need to Appeal Our Decision?" for more information.

Limitation of Actions

You must complete all of the required steps under the health benefit plan's administrative claims and appeals procedures. For plans that are subject to ERISA, this means that you must timely file an initial claim (if applicable) and timely file and complete a first level appeal of any ADVERSE BENEFIT DETERMINATION before bringing suit under ERISA. For plans that are not subject to ERISA, this means that you must file and complete a first level appeal and, for those COVERED SERVICES and items subject to a second level appeal, you must also file and complete a second level appeal. To confirm whether your plan is subject to ERISA, you should contact your GROUP ADMINISTRATOR.

Any lawsuit that you file must be filed within the earlier of (1) within one year after receiving a final ADVERSE BENEFIT DETERMINATION regarding your first level appeal (or for non-ERISA plans, a second level appeal, if required) or (2) three years from the date the charge giving rise to the claim is INCURRED (or, if there are no such charges, the date your claim arose). Failure to follow the health benefit plan's administrative claims and appeals procedures in a timely manner will cause you to lose your right to sue regarding an ADVERSE BENEFIT DETERMINATION and/or to recover benefits. Generally, this means that any claim, action or suit filed in court or in another tribunal will be dismissed.

Evaluating New Technology

In an effort to allow for continuous quality improvement, Blue Cross NC has processes in place to evaluate new medical technology, procedures and equipment. These policies allow us to determine the best services and products to offer our MEMBERS. They also help us keep

ADDITIONAL TERMS OF YOUR COVERAGE *(cont.)*

pace with the ever-advancing medical field. Before implementing any new or revised policies, we review professionally supported scientific literature as well as state and federal guidelines, regulations, recommendations, and requirements. We then seek additional input from PROVIDERS who know the needs of the patients they serve.

Coordination of Benefits (Overlapping Coverage)

If a MEMBER is also enrolled in another group health plan, Blue Cross NC may take into account benefits paid by the other plan.

Coordination of benefits (COB) means that if a MEMBER is covered by more than one group insurance plan, benefits under one group insurance plan are determined before the benefits are determined under the second group insurance plan. The group insurance plan that determines benefits first is called the primary group insurance plan. The other group insurance plan is called the secondary group insurance plan.

Benefits paid by the secondary group insurance plan may be reduced to avoid paying benefits between the two plans that are greater than the cost of the health care service. Most group health insurance plans include a COB provision. COB is explained in more detail in the GROUP CONTRACT between your EMPLOYER and Blue Cross NC; however, the rules used to determine which plan is primary and secondary are listed in the following chart. The “participant” is the person who is signing up for group health insurance coverage. Please note that COB also applies to pediatric DENTAL SERVICES where the group health insurance plan may be primary to a dental insurance plan.

Important Information for MEMBERS Eligible for Medicare

If you are eligible for or enrolled in Medicare, Blue Cross NC will determine Medicare primacy in accordance with the Medicare Secondary Payer rules and will coordinate benefits based on your Medicare eligibility. Information regarding how Medicare works with other insurance benefits like those offered by this health benefit plan can be found on www.medicare.gov. If you or your DEPENDENTS are covered under this health benefit plan, and are eligible for Medicare, **Blue Cross NC may take into account the benefits that you or your DEPENDENTS are eligible for under Medicare, regardless of whether you have actually enrolled for such coverage.** In other words, even if you have not enrolled in Medicare, Blue Cross NC may reduce a claim based on the benefits you are eligible for under Medicare, and then pay the remaining claim amount under the terms of the health benefit plan and in accordance with the Medicare Secondary Payer rules. As a result, if you are eligible for Medicare and Medicare would pay benefits primary to this health benefit plan, your out-of-pocket costs may be higher if you do not enroll in Medicare. The Medicare Secondary Payer rules that determine when Medicare pays benefits primary to other insurance benefits like those offered by this health benefit plan are complex and will not result in higher out-of-pocket costs in every instance.

NOTE: If either the primary or the secondary plan covers a particular service, where Blue Cross NC is the secondary plan, Blue Cross NC will coordinate benefits for that service based on the benefits of the secondary coverage. However, if neither the primary nor secondary plan covers a particular service, the MEMBER will be responsible for payment for that service. Blue Cross NC may request information about the other plan from the MEMBER. A prompt reply will help us process payments quickly. There will be no payment until primary coverage is determined. It is important to remember that even when benefits are coordinated with other group health plans, benefits for COVERED SERVICES are still subject to program requirements, such as PRIOR REVIEW and CERTIFICATION procedures.

FEDERAL NOTICES

The following Federal Notices describe benefits that are included as part of your ESSENTIAL HEALTH BENEFITS. See “Covered Services” for more details.

Statement of Rights Under the Newborns' and Mothers' Health Protection Act

Under federal law, group health plans and health insurance issuers offering group health insurance coverage generally may not restrict benefits for any HOSPITAL length of stay in connection with childbirth for the mother or newborn child to less than 48 hours following a vaginal delivery, or less than 96 hours following a delivery by Cesarean section. However, the plan or issuer may pay for a shorter stay if the attending PROVIDER (e.g., your DOCTOR, nurse midwife or physician assistant), after consultation with the mother, discharges the mother or newborn earlier.

Also, under federal law, group health plans and health insurance issuers may not set the level of benefits or out-of-pocket costs so that any later portion of the 48-hour (or 96-hour) stay is treated in a manner less favorable to the mother or newborn than any earlier portion of the stay.

In addition, a plan or issuer may not, under federal law, require that a DOCTOR or other health care PROVIDER obtain CERTIFICATION for prescribing a length of stay of up to 48 hours (or 96 hours). However, to use certain providers or facilities, or to reduce your out-of-pocket costs, you may be required to obtain CERTIFICATION.

Mastectomy Benefits

Under the Women’s Health and Cancer Rights Act of 1998, this health benefit plan provides for the following services related to mastectomy SURGERY:

- Reconstruction of the breast on which the mastectomy has been performed
- SURGERY and reconstruction of the nondiseased breast to produce a symmetrical appearance, without regard to the lapse of time between the mastectomy and the reconstructive SURGERY
- Prostheses and physical complications of all stages of the mastectomy, including lymphedemas. See PROVIDER’S Office, or for external prostheses, see PROSTHETIC APPLIANCES in Other Services in the “Summary of Benefits.”

Please note that the decision to discharge the patient following mastectomy SURGERY is made by the attending physician in consultation with the patient.

The benefits described above are subject to the same applicable copayment, deductible or coinsurance and limitations as applied to other medical and surgical benefits provided under this health benefit plan.

Important Notice of Special Enrollment

If you are declining enrollment for yourself or your DEPENDENTS (including your spouse) because of other health insurance (including Medicaid or Children’s Health Insurance Program (CHIP)) or group health plan coverage, you may be able to enroll yourself and the

FEDERAL NOTICES *(cont.)*

DEPENDENTS in this health benefit plan if you or your DEPENDENTS lose eligibility for that other coverage (or if the EMPLOYER stops contributing towards your or your DEPENDENTS' other coverage). However, you must request enrollment within 30 days after your or your DEPENDENTS' other coverage ends (other than Medicaid or CHIP) or if the employer stops contributing towards your or your DEPENDENTS' other coverage and within 60 days after the loss of Medicaid or CHIP eligibility.

In addition, if you have a new DEPENDENT as a result of marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your DEPENDENT. However, you must request enrollment within 30 days after the marriage, birth, adoption, or placement for adoption or foster care, except when adding a DEPENDENT CHILD will not change your coverage type or premiums that are owed.

The above timeframes may be extended by federal law. Please contact your GROUP ADMINISTRATOR with any questions.

SPECIAL PROGRAMS

Programs Outside Your Regular Benefits

Blue Cross NC may offer or provide programs that are outside your regular benefits. These offers or programs may be changed from time to time. Following are examples of programs that may be included outside your regular benefits:

- Discounts or promotional offers on goods and services from other companies including certain types of PROVIDERS
- Health and wellness programs
- Services and/or programs aimed to improve social determinants of health
- Service programs for MEMBERS identified with complex health care needs, including a dedicated administrative contact, consolidated claims data information, and supportive gift items
- Clinical Opportunities Notification Program involves the analysis of claims and subsequent notification to PROVIDERS suggesting consideration of certain patient-specific treatment options along with medical literature addressing these treatment options

- Periodic drawings for gifts, which may include club memberships and trips to special events, based on submitting information
- Charitable donations made on your behalf by Blue Cross NC.

Blue Cross NC may not provide some or all of these items directly, but may instead arrange these for your convenience. These discounts or promotional offers are outside your health plan benefits. Blue Cross NC is not liable for problems resulting from goods and services it does not provide directly, such as goods and services not being provided or being provided negligently. The gifts and charitable donations are also outside your health plan benefits. Blue Cross NC is not liable for third party PROVIDERS' negligent provision of the gifts. Blue Cross NC may stop or change these programs at any time.

GLOSSARY

These definitions will help you understand this health benefit plan. Please note that some of these terms may not apply to this health benefit plan.

ADAPTIVE BEHAVIOR TREATMENT

Behavioral and developmental interventions that systematically manage instructional and environmental factors or the consequences of behavior that have been shown to be clinically effective through research published in peer reviewed scientific journals and based upon randomized, quasi-experimental, or single subject designs. All services performed must be within the PROVIDER'S scope of license or certification to be eligible for reimbursement.

ADVERSE BENEFIT DETERMINATION

A denial, reduction, or termination of, or failure to provide or make full or partial payment for a benefit, including one that results from the application of any utilization review, or a failure to cover an item or service for which benefits are otherwise provided because it is determined to be EXPERIMENTAL or INVESTIGATIONAL or not MEDICALLY NECESSARY or appropriate. Rescission of coverage is also included as an adverse benefit determination.

ALLOWED AMOUNT

The maximum amount that Blue Cross NC determines is reasonable for COVERED SERVICES provided to a MEMBER. The allowed amount includes any Blue Cross NC payment to the PROVIDER, plus any deductible, coinsurance or copayment. For PROVIDERS that have entered into an agreement with Blue Cross NC, the allowed amount is the negotiated amount that the PROVIDER has agreed to accept as payment in full. The allowed amount may be based on a schedule of fees, capitated arrangement or other formula agreed upon between the PROVIDER and Blue Cross NC. Except as otherwise specified in "EMERGENCY and Ambulance Services," for PROVIDERS that have not entered into an agreement with Blue Cross NC, the allowed amount will be the lesser of the PROVIDER'S billed charge or an amount based on an OUT-OF-NETWORK fee schedule established by Blue Cross NC or through the BlueCard system that is applied to comparable PROVIDERS for similar services under a similar health benefit plan. Where Blue Cross NC has not established an OUT-OF-NETWORK fee schedule amount for the billed service, the allowed amount will be the lesser of the PROVIDER'S billed charge or an amount established by Blue Cross NC or through the BlueCard system using a methodology that is applied to comparable PROVIDERS who may have entered into an agreement with Blue Cross NC for similar services under a similar health benefit plan. Other than as described above, Blue Cross NC will not pay the OUT-OF-NETWORK PROVIDER'S billed charge unless doing so is required in order to comply with North Carolina Statutes. Calculation of the allowed amount is based on several factors including Blue Cross NC's medical, payment and administrative guidelines. Under the guidelines, some procedures charged separately by the PROVIDER may be combined into one procedure for reimbursement purposes.

INVESTIGATIONAL (EXPERIMENTAL)

The use of a service or supply including, but not limited to, treatment, procedure, facility, equipment, drug, or device that Blue Cross NC does not recognize as standard medical care of the condition, disease, illness, or injury being treated. The following criteria are the basis for Blue Cross NC's determination that a service or supply is investigational:

- a) Services or supplies requiring federal or other governmental body approval, such as drugs and devices that do not have unrestricted market approval from the U.S. Food and Drug Administration (FDA) or final approval from any other governmental regulatory body for use in treatment of a specified condition. Any approval that is granted as an interim step in the regulatory process is not a substitute for final or unrestricted market approval.
- b) There is insufficient or inconclusive scientific evidence in peer-reviewed medical literature to permit Blue Cross NC's evaluation of the therapeutic value of the service or supply
- c) There is inconclusive evidence that the service or supply has a beneficial effect on health outcomes
- d) The service or supply under consideration is not as beneficial as any established alternatives
- e) There is insufficient information or inconclusive scientific evidence that, when utilized in a non-investigational setting, the service or supply has a beneficial effect on health outcomes and is as beneficial as any established alternatives.

If a service or supply meets one or more of the criteria, it is deemed investigational except for clinical trials as described under this health benefit plan. Determinations are made solely by Blue Cross NC after independent review of scientific data. Opinions of experts in a particular field and/or opinions and assessments of nationally recognized review organizations may also be considered by Blue Cross NC but are not determinative or conclusive.

NOTICE CONCERNING COVERAGE

LIMITATIONS AND EXCLUSIONS UNDER THE NORTH CAROLINA LIFE AND HEALTH INSURANCE GUARANTY ASSOCIATION ACT

Residents of this state who purchase life insurance, annuities or health insurance should know that the insurance companies and Health Maintenance Organizations (HMOs) licensed in this state to write these types of insurance are members of the North Carolina Life and Health Insurance Guaranty Association. The purpose of this association is to assure that policyholders will be protected, within limits, in the unlikely event that a member insurer or HMO becomes financially unable to meet its obligations. If this should happen, the guaranty association will assess its other member companies for the money to pay the claims of the insured persons who live in this state and, in some cases, to keep coverage in force. The valuable extra protection provided by these insurers through the guaranty association is not unlimited, however. *And, as noted in the box below*, this protection is not a substitute for consumers' care in selecting companies that are well-managed and financially stable.

The North Carolina Life and Health Insurance Guaranty Association may not provide coverage for this policy. If coverage is provided, it may be subject to substantial limitations or exclusions, and require continued residency in North Carolina. You should not rely on coverage by the North Carolina Life and Health Insurance Guaranty Association in selecting an insurance company or in selecting an insurance policy.

Coverage is NOT provided for your policy or any portion of it that is not guaranteed by the insurer or for which you have assumed the risk, such as a variable contract sold by prospectus.

Insurance companies or their agents are required by law to give or send you this notice. However, insurance companies and their agents are prohibited by law from using the existence of the guaranty association to induce you to purchase any kind of insurance policy.

The state law that provides for this safety-net coverage is called the North Carolina Life and Health Insurance Guaranty Association Act. *On the back of this page* is a brief summary of this law's coverages, exclusions and limits. This summary does not cover all provisions of

the law; nor does it in any way change anyone's rights or obligations under the act or the rights or obligations of the guaranty association.

COVERAGE

Generally, individuals will be protected by the life and health guaranty association if they live in this state and hold a life or health insurance contract, or an annuity, or if they are insured under a group insurance contract, issued by a member insurer or HMO. The beneficiaries, payees or assignees of insured persons are protected as well, even if they live in another state.

EXCLUSIONS FROM COVERAGE

However, persons holding such policies are not protected by this association if:

- They are eligible for protection under the laws of another state (this may occur when the insolvent insurer was incorporated in another state whose guaranty association protects insureds who live outside that state);
- The insurer was not authorized to do business in this state;
- Their policy was issued by a fraternal benefit society, a mandatory state pooling plan, a mutual assessment company or similar plan in which the policyholder is subject to future assessments, or by an insurance exchange;
- They acquired rights to receive payments through a structured settlement factoring transaction.

The association also does not provide coverage for:

- Any policy or portion of a policy which is not guaranteed by the insurer or for which the individual has assumed the risk, such as a variable contract sold by prospectus;
- Any policy of reinsurance (unless an assumption certificate was issued);
- Interest rate yields that exceed the average rate specified in the law;
- Dividends;
- Experience or other credits given in connection with the administration of a policy by a group contractholder;
- Employers' plans to the extent they are self-funded (that is, not insured by an insurance company, even if an insurance company administers them);
- Unallocated annuity contracts (which give rights to group contractholders, not individuals), unless they fund a government lottery or a benefit plan of an employer, association or union, except that unallocated annuities issued to employee benefit plans protected by the Federal Pension Benefit Guaranty Corporation are not covered;
- A policy or contract commonly known as Medicare Part C, Medicare Part D, Medicaid or any regulations issued pursuant thereto.

LIMITS ON AMOUNT OF COVERAGE

The act also limits the amount the association is obligated to pay out as follows:

- (1) The guaranty association cannot pay out more than the insurance company would owe under the policy or contract.
- (2) Except as provided in (3), (4) and (5) below, the guaranty association will pay a maximum of \$300,000 per individual, per insolvency, no matter how many policies or types of policies issued by the insolvent company.
- (3) The guaranty association will pay a maximum of \$500,000 with respect to a health benefit plan.
- (4) The guaranty association will pay a maximum of \$1,000,000 with respect to the payee of a structured settlement annuity.
- (5) The guaranty association will pay a maximum of \$5,000,000 to any one unallocated annuity contract holder.

IMPORTANT INFORMATION ABOUT YOUR HEALTH SAVINGS ACCOUNT (HSA)

Understanding the relationship between your health plan and your Health Savings Account (HSA)

The product offered by Blue Cross NC is a High Deductible Health Plan (HDHP) that is intended to be paired with a Health Savings Account (HSA). The HSA is not part of this health benefit plan administered by Blue Cross NC. The HSA is administered separately, through a company that is not affiliated with Blue Cross NC. Your rights with respect to the HSA are governed by a separate agreement with the HSA custodian. While Blue Cross NC may forward certain materials to you on behalf of the HSA custodian, Blue Cross NC assumes no responsibility for the administration of the HSA. Termination of your HDHP with Blue Cross NC does not terminate your HSA with the HSA custodian.

Your HDHP can qualify you, or someone else on your behalf, to contribute to a HSA, unless you are otherwise ineligible under applicable federal requirements. You must be covered under an HDHP to contribute, or have someone else contribute on your behalf, to an HSA. Factors that may make you ineligible to have contributions made to your HSA include, but may not be limited to, whether you are covered directly or as a DEPENDENT on other, disqualifying health coverage (including other health funds), whether you can be claimed as a DEPENDENT on another person's tax return, and whether you are enrolled in Medicare. In addition, the Tax Code limits the amount that may be contributed to an HSA. Even if Blue Cross NC collects information from you that may indicate your ineligibility to contribute to an HSA, or that may indicate your contribution limit, Blue Cross NC will not make these determinations, and it is your responsibility to do so. If you are unsure, please consult a qualified tax advisor.

Some expenses may not qualify for reimbursement under the Tax Code. Some DEPENDENTS may not qualify as DEPENDENTS for purposes of reimbursement from your fund. It is your responsibility to determine which, if any, of your and your dependents' medical expenses qualify for reimbursement from your HSA fund. If you are unsure, please consult a qualified tax advisor.

Know how much you owe when using your HSA

When you receive medical services, you are encouraged to establish a payment plan with your provider. Your provider can choose to collect an estimated amount from you at the time of service. Before using your HSA funds to pay for these services, you should ask what steps your provider has taken to ensure that they have not collected too much from you. The final determination of how much you owe your provider cannot be calculated until your claim has been submitted to your health plan and appropriate benefits and negotiated prices have been

applied for your provider's services. It is your responsibility to make sure you know the tax implications if you use your HSA funds for medical expenses that may not be considered qualified.

If you have been issued a debit card in connection with your HSA, the following applies. The debit card is issued by the bank chosen by your HSA custodian. Although Blue Cross NC's name and marks may be included on the face of the debit card for your convenience, Blue Cross NC is not responsible or liable for administration of your debit card. The terms and conditions associated with your debit card are governed by your agreement with the bank issuing the card. It is your responsibility to ensure that the card is used only for qualified medical expenses. If you are unsure about whether an expense is a qualified medical expense, please consult a qualified tax advisor.
